

DEAR EDITOR...

Annexation

Editor:
Torrance Press
The Lomita Civic League is calling a special meeting for Thursday, October 3rd at 8 p.m. in the Little Theater of the old Narbonne High School, in order to hear the latest laws concerning annexation.

Mr. Edward Skelly, the noted Los Angeles attorney, will be the guest speaker. He has had much experience with annexation laws, having just recently fought an attempt by the City of Glendale to annex an adjoining unincorporated area all the way to the California Supreme Court.

The Lomita Civic League has arranged this meeting so the residents of Lomita can have a first hand report on annexation laws as they affect the Lomita-Torrance problem.

Mr. Skelly is a resident of North Hollywood, so he should be able to give an unbiased factual report on just what Torrancia can or cannot do as to the "gobbling up of Lomita."

There will be a question and answer period following his talk and all residents of Lomita are cordially invited to attend, whether members of the Lomita Civic League or not.

The Dentist Says:

Dental Work Done in Evenings

Ernest J. Tarr, D.D.S.

"I work during the day and can't get off to see the dentist. I have a lot of dental work to be done. What can I do about it?" — writes Mrs. W. R. of Torrance.

There are very few dentists who are open evenings and even those that are open at night only take preferred patients.

I have realized the importance of this situation for a long time, and in an attempt to remedy it, I keep my office open until 7:00 p.m. Monday through Friday.

These hours are open to everyone and my low fees remain the same. I feel it is my duty to the community to offer a dental health service at night and I believe mine is the only dental office open evenings regularly in the Torrance area.

So, if you wish an evening dental visit, just drop into the office or make an appointment by phoning me at FA. 8-0250.
