Calle Mayor School Construction Bids To Be Received
 Officials of the Torrance Unified School District will receive bids on January 10 for the construction of the Calle Mayor Elementary School. Awarding of a contract will probably take place about two weeks later.
 The school will provide another 16 classrooms for southwest Torrance and will alleviate the crowded conditions at the Riviera, Seaside and Newton elementary schools.
 The building will be located on a 10 acre site north of Pacific Coast hwy. and east of Calle Mayor.

Spartans Present Plaque To Tartars at Assembly

Spartan met Tartar today on a friendly basis when the Torrance High School Tartars presented their Annual Christmas assembly in the THS Auditorium. The South High School Spartans are scheduled to move into their new High school plant on Pacific Coast Highway, January 6.
 The Spartans presented a plaque to the Tartars, congratulating them on winning second honors in Bay League Varsity Football competition and first place in Cross Country. The plaque was presented to the Torrance High School Associated Student Body by Mizzi Yoshioka of South High to Roberta Rogans, Student Body President of Torrance High School. Miss Rogans gave a letter of farewell and best wishes to the South High Student Body.
 The annual Christmas assembly featured The Tartar Band, Choir and Chorus under the leadership of John Nichols and Vincent Di Fiore, instrumental and vocal music teachers. Contributing to the program was a speaking choir directed by Ross Potter. This group recited "The Night Before Christmas." The Tartar Choir presented a series of selections including "Sing and Rejoice," "Adoramus Te" and "Carol of the Bells," Mr. Di Fiore directed the Torrance High School Chorus in "Jingle Bells" and "O Holy Night." A note of hilarity was introduced into the program when student master of ceremonies Jack Rettig called the "Frantic Four" quartet to sing an appropriate number. The quartet of four THS faculty members accompanied on the piano by faculty member Nichols brought down the house with their spirited rendition of "Jingle Bells."

Fire Damages Carson Home

BY J. R. GATELEY
 A day's ironing proved costly to Mrs. Margie Ogan, of 1044 E. Joel last week. Mrs. Ogan was tired when she finished ironing her clothes late last Tuesday night, and forgot that she had placed some bedding next to a hot water heater close to her ironing board.
 The bedding dried out during the night, and when Mrs. Ogan awoke the next morning, the house was filled with smoke and flames were spreading. Los Angeles County Fire Department on Carson Street, responded to the call and extinguished the fire. Damage of \$500 was reported done to the house, owned by Mrs. Josephine Garrett of San Pedro.

NEW SCHOOL ROOMS
 Mrs. Robert Crow, president of the 232nd Place School PTA announced that there was a generous response to the request for canned goods to be given in Christmas baskets. At a recent breakfast held at the Crow residence, 249 W. 234th st., parents and teachers of the PTA brought canned goods, and the Association has purchased fresh vegetables to go into each Christmas basket.
 Mrs. Crow also reported that new school buildings have been erected for the 232nd Place School, and that children have been assigned to their new rooms, when they report back to school after the holidays.

HIT BY TRUCK
 Robert Jerry Johnson of 133 W. 220th st., struck by a truck last Monday night, suffered slight injuries. The truck, driven by Francis Hain, Jr., of North Hollywood, Johnson was rushed to Harbor General Hospital where his injuries proved of a minor nature, and was later released. He is a student at White Junior High school.
 Robert Mannon, 2414 Pacific Coast hwy., Lomita, was injured last week when he was thrown out of his car which was struck in the rear by a car driven by Stephen Johns, of Garden Grove. He suffered severe abrasions and was removed to Kaiser hospital for treatment.

Los Angeles County Fire Department on Carson Street responded to a fire last week in an attached garage at 148 E. Clarion dr. occupied by V. Brockway. Slight damage to the garage resulted before the flames could be extinguished. The fire started when gasoline fumes were ignited by an electric heater in the garage. Brockway was using gasoline to clean the motor of his car.
 Three engine companies and a rescue car of the Los Angeles County Fire Department also responded to a fire last Saturday at 21518 Wilmington ave. A defective chimney caused the roof to catch on fire and resulted in \$200 damage to the house, occupied by Mrs. Suzan Gomez.
