

Find Jobs Slogan of Candidate

A fight to assist Torrance residents to find jobs and to close Torrance Municipal Airport, is the campaign platform of J. E. Thompson, candidate for the City Council.

He said the Council should form a group to ask Torrance industry and commerce to fill jobs with Torrance residents. He also urged that residents should make every effort to buy

in local stores. The candidate said that although he holds a commercial pilot's license and enjoys flying, he feels that the airport should be shut down to protect residents.

"One engine failure, or one pilot error will send hundreds of gallons of explosive fuels into our homes or school yards. What possible revenue could

the airport produce to off-set this tremendous risk?" he asked.

Thompson, 33, is a former traffic investigator for the Torrance police department and has been employed as engineer for construction firms for the past two years.

He is one of the founders of the Coordinating Council of City Employees, past president of the

J. E. THOMPSON

Torrance Police Officers Association, and is presently vice president of the Torrance Democrats, Inc.

The candidate was a US Air Force pilot in World War II. He was graduated from Ft. Worth, Texas, public schools, and attended Texas Christian University on a music scholarship.

He resides with his wife and two children at 2031 Gramercy Place.
