NYLON HOSE

Made By A Famous Maker

We had to go all the way to New York to get these fine nylons for you. They are slightly irregulars of a national brand that regularly sells for \$1.19. At this special price we had to promise not to tell the manufacturer's name.

It makes no difference which comes first, the chicken or the egg. You'll save on both this week at fabulous Food Giant. And because the price is so low, don't think for a moment every egg isn't strictly fresh, because every egg is strictly fresh,—cackle fresh! So fresh, we guarantee every last one. But don't be satisfied with only the eggs. Save on fryers, too. They're here now at Food Giant's low, low price.
