### Annual Modern Dance at School

The Modern Dance Classes of Torrance High School under the direction of Mrs. Jeanne Bosco will present their annual dance program entitled "Potpourri" at 8 p.m., Friday, March 28th, in the Torrance High school auditorium.

The 150 girls in this production will interpret by means of modern dance the many cultures of United States and the world that have contributed to the culture of the Torrance Community. The dancers will start on stage at Torrance and take the audience on a trip across continental United States and around the world. In United States the trip will include stops at a State Fair, Texas, New Orleans, and a Southern State. Going around the world, glimpses of such places as Cuba, Africa, the Orient, and Mexico will be noted.

As an added attraction, the Marianna Cat Women from outer space will land on the stage in their spaceship and give a performance.

The cast will include the following lead dancers: Bobby Herring in the State Fair; and Mary Blount and Diane Hunter in a Religious number; and Evelyn Sains, Gerry Day, and Diane Eschandi in a Mambo number. Although this is a girls' production, one lone exception is found in the Cast. The boy Ron Montellous, will perform with Marilyn Johnston in a number titled "Almost Paradise."

Tentative program will include numbers called, "Backstage," "State Fair," "A Ticket to Nowhere," "Ball and the Jack," "Shop & Holiday," "Wing Ding," "Our Southern Heritage," a spiritual, "Market Place at Madras," "The Third Dimension," "Oriental Splendor," "Feline Fantasy," "Almost Paradise," "Animal Fanfare" and a finale called, "Toy Tiger."
