

### Jewish Welfare Fund Campaign to Open Fund Drive Here April 1

Eleven agencies in the South-Central, Centinela and South Bay areas of Los Angeles will share in proceeds of the 1958 United Jewish Welfare Fund campaign opening officially April 1. Dr. Howard Golden, Southern section chairman, said 10,000 dedicated men and women are ready to take this year's UJWF story of need to the 400,000 Jewish residents of Greater Los Angeles.

Eight divisions in the Southern section are part of a campaign organization of 200 divisions representing industry and commerce, residential, women, youth and social-fraternal organizations.

Tied to the 1958 theme of "Rescue, Rebuild, Redeem," the current drive continues through April and May, seeking two goals, Dr. Golden explained.

The regular quota of \$4,850,000 will be used to support 166 local, national and overseas medical, relief, educational, community and recreational agencies. The "special" quota, Dr. Golden said, will be the "fair share" for Greater Los Angeles of a 100 million dollar rescue fund being raised throughout America by United Jewish Appeal for resettlement of 70,000 Jews from "Iron Curtain" and Moslem countries to Israel and other lands during 1958.

### Steele PTA

By Mrs. Howard Thompson  
Lester Wandell was guest speaker at the Steele PTA meeting Thursday, March 13th. Mr. Wandell from the Washington School in Hawthorne spoke on Braille students. The Washington school serves braille children from the southwest cooperative district.

Student club presidents spoke briefly on the activities of their respective organizations and election of officers was held.

Mrs. Robert Golden gave the financial report of the Saturday movie program to the board at their recent meeting. The success and popularity of this venture was discussed and it was decided to resume the movies in May.

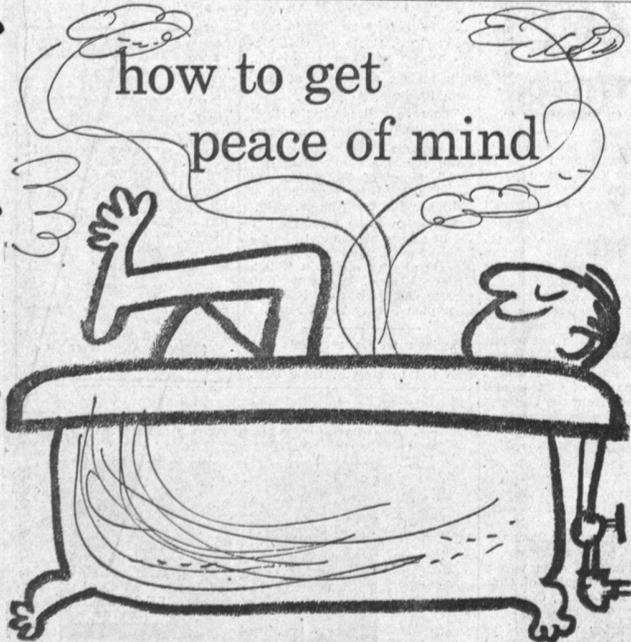

Library Chairman, Mrs. John Hubacek, announced that a special all cartoon movie will be given April 12 to raise funds for the purchase of new books for the library. Further information will be released at a later date.
