**Bowling News**

Bowl-O-Drome's squad of Junior hot-shots clashed with South-Bay's young top bowling material for the second round of their special match at South-Bay last Saturday night, going in with a 37 pin lead, coming out 40 minus and second best in the six game series competition. Bob Taylor, Bowl-O-Drome's sizzling teen-age fire-ball blasted a 231-229-205 for a whopping 665 series, capturing single honors followed by V. Harrison of the opposing South-Bay mob at 599. Defeat taken in their stride, Torrance's youthful bowlers journey to Alhambra this week-end for the first round with Junior Alhambra Keglers in another six game special match. Following Saturday, boys will invade their home stomping grounds, Bowl-O-Drome for the second phase of competition.

Ryan Aircraft penned final marks in their Monday 9:00 p.m. mixed handicap last week with the All-Kats' four game lead over the Pin-Splitters taking top honors of the winter session. Bill Copley of the league winning quintet copped individual high series trophy for his 592 & 81-673 along with Ruth Morris of the Spudniks who totaled 475&150—625 for female honors. Solo spotlight fell upon D. Martin, Pin-Splitter, kegler who banged-out a whopping 233&40—273 and Mary Cardenas of the Screw Balls for her 187&42—229.

Florhides, in Tuesday's 6:30 p.m. Pittsburgh Plate Glass Co. League holding onto their 2 1/2 game margin over the Marinehides with only a couple more weeks of opposition. H. Fritcher of the Snolites and A. Jackson, Wallhides gal member recorded series toppers, 606&54—61 and 467&168—635 respectively. Third place Speedhides loaded with talent as single high games for both men and women are held by team mates, J. Goetz, 256&18—274 mens topper and R. Hamel, 224&31—255 for the gals.

An expected entry of 240 teams will invade Bowl-O-Drome for the 11th Annual Western Industrial Recreation Association Bowling Tournament slated for the week-ends of June 7th, 8th, 14th and 15th. **El Camino to Host Metropolitan Loop Tennis Tourney Tomorrow, Saturday**

"Everyone for tennis," will be the cry as El Camino College hosts the Metropolitan Conference tennis tournament May 23. This will make the second time that such a tournament has been held on the El Camino campus.

Eight teams representing the Metropolitan conference will be present and top players of the Southland will compete in the A and B divisions in both doubles and singles events.

Defending champ, Santa Monica City College, will be trying to retain its title and honor as top team in conference. Leading this defense will be Bob Hill, last year's class A singles champ. Hill has his work cut out for him this year by one of his own teammates, Dick Drake, who has given Hill trouble all year. With this one-two punch, the Corsairs should be able to retain their team championship.

The El Camino Warriors, however, have different ideas about the team championships. Camino finished the regular season in a second place tie with Long

**Midget Cars to Be Constructed**

There are easier ways to gain recognition than to carve a midget racer out of a block of wood, attach four wheels and then balance and lubricate it until it travels faster down a gravitational track than dozens of others similar to it.

This is what over 400 youngsters or Torrance are attempting to do. The occasion is the Torrance Recreation Department's "Midget 500" Citywide auto race.

The boys and girls obtained the rough 6" x 2" block of wood from the department and then, started the task of converting it into winning form. Knives, saws, and wood rasps were then used to shape the racers. A good sanding and a liberal coat of paint and the job was done.

May 3 and May 10th have been set aside as playoff days. On these two Saturdays, the Recreation Department will transport two 38' tracks to all of the park areas.

The four winners from each park area contest are also eligible to compete in the Citywide races to be held in the City Hall parking lot, May 17 at 10 a.m.

Boys and girls who care to compete in this event, are being encouraged to contact the Torrance Recreation Department leader at the park or playground nearest them for a car kit and the track schedule.

Everett, who is ranked among the nation's leading 10 jockeys, has enjoyed a banner season to date at the 139th and Western Avenue oval. He will meet a band of many of the nation's ranking stars, including Johnny Gibson, Don Hawley, Tex Luse, Ed Kretz, Jr., Johnny Rich, Al Gunter and Brad Andres.
