

Summer Recreation Program Offered to Public at ECC

El Camino College will open its recreational facilities, a deep and shallow pool plus gymnasium and playing fields, to the public again this summer in its annual summer recreation program. Beginning with registration for swimming instruction on

June 21 at 8 a.m. in the Campus Center, the program gets underway June 23. Highlighted by swimming, instructional and recreational, and outdoor sports, the program is designed for anyone from 7 years of age and up. For any age, the minimum height acceptable for

swimming instruction, or recreational swimming without a parent is 52 inches. Under the guidance of college physical education instructors, swimming lessons will be given during five periods this summer. The first period will run from June 23-July 3, followed by per-

iods running from July 7-July 18, July 2-Aug. 1, Aug. 4-15, and Aug. 18-29. Tickets for the first three instruction periods will be on sale during registration June 21. Tickets not sold at registration may be purchased in the business office of the college.

Children must be present when tickets are purchased for them. This regulation has been established to prevent groups from purchasing large numbers of tickets and then failing to fulfill the quota, thereby keeping other children from the opportunity to participate in the popular program. A fee of \$1 will be charged for each of the two week instructional swimming courses.

For recreational swimming a 10-cent charge to children under 18 and 25 cents for adults will be made for each swim period. Outdoor sports are free. All swimmers must furnish their own suits and towels and girls must have bathing caps. A daily family hours from 6 p.m. to 7 p.m. is an extra attraction of the recreational swimming program. This is open to adults, 18 years and over, and

children accompanied by a parent. The gymnasium, tennis courts and volleyball courts will be open evenings Monday through Friday from 6 to 10 o'clock for adult recreation only. Blind children from 6 to 21 years of age learn to swim, fish, hike and ride horseback at Camp Bloomfield, the Foundation for the Junior Blind summer camp.

Hour Change for Church Services

The Lomita Church of Christ announces a time change for their Sunday night worship period. Beginning today, the service will begin at 7:30 p.m. each week. Other services are Bible classes at 10 a.m. and worship at 11 a.m. each Sunday, and weekly Bible classes Tuesday at 7:30 p.m. and Thursday at 10:30 a.m.
