

Jobs Offered at Fort

Vacancies for civilian employment at Fort MacArthur have been announced by the fort civilian personnel office.

Parasite's Parasol

Charles Ward, a telephone company employe, felt as if someone had stolen the roof from over his head.

There's no better way to take advantage of these warm summer days than by relaxing in the private outdoor patio of the Tai Song restaurant in Manhattan Beach.

Loquacious in this land-like area is made easy by a colorful setting nicely accented with a wonderful array of the tallest, coolest tropical drinks prescribed by law!

A succulent appetizer will be served this week-end with your drink, as an introduction special to acquaint you with the pleasures of patio life and lounge hour living.

If you should get swept up in freeway traffic and accidentally take a wrong turn or two, like this reporter, then you too may enjoy the very same Polly Bergen show now appearing at the Riviera hotel in the Southland suburb called Las Vegas.

College Entrance

The entrance tests required of everyone who intends to enroll as a regular day student for the coming fall semester at Harbor College will be given only on specified dates between now and Sept. 2, according to an announcement today by William H. McMasters, dean of admissions and guidance.
