Of this amount, \$920,400 will be allocated to the Walteria Lake area. South Torrance will receive the second largest slice, \$910,000, while \$816,000 will be spent for East Torrance.

Strum's Department Store Offers Sale to Point up Completed Alterations

Completion of extensive alterations by Strum's Department Store, 1261 Sartori ave., will be celebrated with a get-acquainted sales today, tomorrow and Saturday.

The most important change made by the firm was to the complete selection of babies and infant's wear from the mezzanine to the ground floor as a convenience to mothers accompanied by small children.

Under the new policy, shoppers with small children will now find the complete selection on the first floor and will no longer have to climb the stairs to the mezzanine.

The higher a car's speed, the less time the driver has to maneuver or stop, reminds the Allstate Safety Crusade. In split-second emergencies, too often time runs out on the driver traveling too fast for conditions.
