New Sanctuary Ready at Local Church of God

First services held in the new sanctuary of the South Bay Church of God at 17661 Yukon ave. broke 11 previous attendance records, according to Rev. Clifford L. Tierney, pastor of the church.

The building was constructed completely with donated labor under the direction of Gratz Lair, master carpenter, in only one year's time. In includes, besides the main sanctuary, eight classrooms, a baptistry, prayer room and large foyer.

The sanctuary is attractively decorated both inside and out with air conditioning, stained glass windows and upholstered pews. Seating capacity of 400 enables the entire congregation to worship at the 11 service after more than two years of worshiping in two separate services.

Rev. Tierney extends an invitation to everyone to attend any of the services which are held at 11 a.m. and 7:30 p.m., Sundays. Services are also at 7:30 p.m. Wednesday evening.

EYESTRAIN Is Often Caused by Ill-Fitting Frames

Poorly adjusted glasses frames are a leading cause of eyestrain, especially when eyes are used for close work. If you are conscious of rapid tiring when reading, drop in at our office the next time you are downtown. Let us straighten the frames of your glasses, align the lenses, and adjust the nosepieces without the slightest obligation on your part. It is unwise to suffer loss of eye comfort when a few minutes time can remedy the condition.

You are invited to consult us on ALL your optical needs—continuous vision glasses, blended lenses, TV glasses, sun glasses, the new plastic contact lenses. 32 Years in Harbor Area
