**TIP TO TOE** (Continued from page B-3)  
 winter becomes the perfect time to get away from smog-sodden skies to sunnier climes, whether way above or way below sea level.  
 So-o-o, we perform a double public service today by touting vacation time outfits that will please milady . . . and make fabulous gifts for husband or favorite fellow to buy her in the next few frantic weeks before Christmastide.  
 We viewed and approved at the recent California Fashion Creators' Press Week the handsome ski collection of famed White Stag, makers of bright

and wearable sportswear. Especially bright and wonderfully wearable . . . their tri-color striped and hooded parka jacket, made of fine yarn cotton poplin. It's fully front zippered and hugs close at shirred cuffs and draw-string bottom . . . and no snow or rainfall can enter the water repellent fabric. Stunning in black and bronze, or shades of violet, combined with white.  
 And all White Stag parkas are color coordinated with water proof, stretch pants. They're handsome, pleatless and narrow in the leg, with side zip opening.  
 For swimming (and being seen in) fun . . . we vote for the tailored look in swimwear as done by Catalina of California.  
 Pictured is trim, two-piece Stripe Happy, with its own matching shirt. Chambray cotton in blue, pink or yellow with white is used for the smart cuffed bra top with adjustable back button closing and shoulder straps, and for the slim fitting boy shorts with back zipper. The shirt is long, full, easy, roll-up sleeved and buttons to a convertible collar.

**Dinner Party at Polynesian**  
 The Polynesian restaurant provided the setting for an island dinner-party hosted by Mr. and Mrs. Ernest Keuser of Torrance upon their return from a vacation in Hawaii. Guests included Mr. and Mrs. John Woznick of Rolling Hills.

**Work to Start on Storm Drain Along Freeway**  
 Preliminary work on construction of the Redondo Beach Blvd.-Figueroa St. storm drain will begin within the next 15 days, Supervisor Kenneth Hahn announced this week as the Board of Supervisors awarded contract to the Griffith Co.  
 "Although the storm drain is located in the Los Angeles City strip, it will benefit a large segment of adjoining communities," Hahn said.  
 He pointed out the project will provide drainage and flood control along the Harbor freeway from 150th St. to Dominguez channel near Vermont Ave.  
**California Valuation**  
 California's total net assessed valuation is \$27,440,095,981. That figure — disclosed in the state controller's annual report on the counties' assessed valuation, tax rates, and bonded indebtedness for 1959-60 — is 5.87 per cent higher than a year ago.

**85 OUT OF 100 NEW HOME OWNERS SAY:**

**"we chose gas!"**

Finest automatic features, dependable free service, and regular savings have made gas cooking the overwhelming choice of modern homemakers. Of the more than 100,000 new homes and apartments built within the last year, 85% of them have installed new Gas ranges. They cost less to buy and install — less to operate, too. While the cost of gas has risen 100% since 1947, the average gas rate is up only half that much.
