

# Local Scouts Communicate to Colorado Jubilee Event

Celebrating the 50th anniversary of the Boy Scouts of America last weekend, troops throughout the area met at local camporee spots for the event which met simultaneously with the national celebration, the Jubilee Camporee, in Colorado.

Scouts from troops 718 and 240 of Hollywood Riviera participated in the event at Lunda Bay School. These two troops were awarded first places for scout skills and campsite preparation.

Members participating were Wayne MacDonald, Doug Vogl, Ricky Schwartz, Dave Michael, John Burk, David Ledford, Larry Davis, Doug Larsen, Roger Huysen, Jack Webb and Richard Laxton.

Scoutmaster F. G. Sedgwick, with John Reynolds, Richard Coulter, John Bereda and Skip Sedgwick, participated in the supervision of the event.

Leo Bereda, assistant scoutmaster, and Lee Larsen Jr. assistant scoutmaster attended.

At the Alondra Park campsite, Explorer Scouts kept in contact with 12 districts of the Los Angeles Council through short wave radio stations.

The radio contact was made possible by the Aircraft Electrical Society, which has provided two-meter communications to each Explorer District of the Los Angeles Council as a means of stimulating youth interest in the field of communications and electronics.

Mobile radio amateurs Elmer Wakamatsu, K6SZU, and Joseph Albright, K6JTG, gave technical assistance for the operation of the communicator at the park.

## ANDY'S REFRIGERATION

You are invited to see one of the most exciting advances in refrigeration at Andy's Refrigeration, 1644 Wilmington Blvd., Wilmington. It is the new 1960 Air-Wrap Philco. This exclusive Philco system wraps food in a protective atmosphere which is extremely cold, moist and stall. Without wrappers or covers, it gives foods ideal protection from drying and transfer of flavors and odors. The food is kept endless days just as though it were placed in a hollowed-out cake of ice. Air-Wrap keeps meats 104 per cent better, leftovers 84 per cent better and vegetables 34 per cent better. To make this miracle refrigerator even more desirable, it's completely frost-free.

Andy Heath, owner of Andy's Refrigeration, has had 10 years experience in the field of refrigeration, and believes the new Philco is an outstanding advance in refrigeration, not only for home use but also for commercial use. He has made available to his customers the numerous other Philco appliances: freezers, air conditioners, laundry equipment, TV, hi-fi, etc. He and his staff of three offer 24-hour emergency service on all types of refrigeration equipment, commercial, domestic, or industrial, of any make or model. They also install air conditioning systems, including any kind of processing or cooling system. So whatever your refrigeration needs, call Andy's Refrigeration, FA 8-3863 or TE 5-7164, or stop in to see them at 1644 Wilmington Blvd., Wilmington.
