SCMAF Slates First Annual Diamond Tourney August 22

The Southern California Municipal Athletic Federation's Baseball Committee announced its first annual baseball tournament to be conducted for boys since the founding of the athletic group in 1949.

The tournament will be held for boys in the 13, 14, and 15 year age classification. All teams, consisting of boys whose 15th birthday is after Jan. 1, 1960, are eligible to compete. (Boys born prior to Jan. 1, 1945, are ineligible).

A player who falsifies his age status, or plays or attempts to play under an assumed name will be barred from further tournament play and the game in which any such intended deceit was discovered will be forfeited, and that team with which he played, or attempted to play with will be suspended from further competition.

The tournament is slated to start Aug. 22, 1960. The entry fee of \$15 guarantees each team an opportunity to play at least two games, in a consolation type tournament. A maximum of 15 individual player awards will be presented to the winning teams in each of the following cases: 1. Championship Team. 2. Championship Runner-up. 3. Consolation Winner. An addition award will be given to the sponsor of each of the above winners and also one to the consolation runner-up team.

Games will be conducted on fields having 75 foot baselines and a 55 foot pitching distance. Seven Innings, or

two hours elapsed playing time, will constitute a game. (If the game remains a tie after the seven innings have been played; or the time limit has expired, then the team recording the greatest number of bases reached safely will be declared the winner. Games will be scheduled on diamonds throughout Southern California as determined by the Tournament Committee. First round games will be scheduled in as many districts as possible to avoid having teams travel too great a distance to play first games. Team managers can contact Elmer "Red Moon," 1511 Cravens Ave., Torrance, FA 8-4108.

CHARMING

Book shelves suspended on metal brackets will give any room charm without taking floor space. Use 1x12 inch Douglas fir lumber for shelves.

Camp Fire Girls Practice Cooking at Torrance Park

Blue Birds, Camp Fire Girls, and Horizon Club members, amounting to over 300, have just completed two weeks of Day Camp at the Torrance Park. The Day Camp gave the girls a wonderful opportunity to practice their outdoor cooking. Noon time at camp meant homemade pies baked in a reflector oven, delicious stew, cooked on the open fire.

Every girl from 7 through 17 was helping to prepare the meal for the unit. In addition to practicing outdoor cooking, the girls in the unit had an opportunity to learn many new skills, such as: an increased knowledge of the "World Around Her," and

a study of all of the trees and plants in the vicinity. The Day Camp was made possible by the excellent volunteer leadership provided by the adults in the Harbor District. The camp was under the direction of Miss Cindy Keyes, the District Director of the Harbor District.

Cyclist Resume Friday at Ascot

With the national competitions moving elsewhere, the regular weekly program of motorcycle racing resumes Friday night at Gardena's Ascot Stadium with the first contest going at 8:30 p.m.

Southern California's stylists proved themselves the nation's peers during the recent 8-mile title tussle at Ascot by taking the first five places, as follows: Al Gunter, Los Angeles; Stu Morley, Los Angeles; Troy Lee, Pico-Riviera; Sammy Tanner, Gardena; and Jack O'Brien, San Fernando.

A top program of novice racing is also slated Friday. Preston Petty of Woodland Hills continues to cling to his point standing lead, but such racers as San Diego's Don Tortorelli and Santa Barbara's Bill McDonough are moving into contention.
