### New Year's Eve Reservations Hit Deadline

New Year's Eve party goers are urged to make their reservations early this year as accommodations in the South Bay are rapidly diminishing, it was announced today by Berk McPherson, popular manager of the Marineland Restaurant in Portuguese Bend.

McPherson stated that those desiring reservations in Marineland's Porpoise Room to call immediately as only nine days remain before the New Year.

Bernie Jones, featured on TV's Polka Parade, and his quartet are currently playing in the Porpoise Room. For reservations call Berk at FR 7-1547.

### Science Program Now Underway at Montgomery H.S.

Bishop Montgomery High School's science program is now in full operation with the addition of a modern physics laboratory. Biology and chemistry labs opened last year.

This year Bishop Montgomery is participating in the Traveling High School Science Library. Each quarter fifty outstanding science books are loaned to the library. Book reports and discussion are undertaken to stimulate scientific interests.

Recently the school received a shipment of radiological detection equipment from the California Disaster Office. This includes two giger counters, disimeters, and

**CHRISTMAS BASKETS**—Filled by the students at Seaside School will add to the enjoyment of the needy this Christmas. Canned food is being organized and packed by members of the PTA. Helping are (left to right) Mmes. Jack Walters, corresponding secretary; James Miller, third vice president; Joseph Pesaniello, welfare chairman; and Lynn Eden, treasurer.

### Teenagers Form Republican Club

Teenage Republican Club held an organizing session recently at the home of Bonnie Stratford in Torrance.

Officers were elected and they are: Larry Grasinger, president; Trudie Johnson, vice president; Bonnie Stratford, secretary-treasurer.

Mmes. Anita Glasier and Gwenna Wade are the adult sponsors of the group.

"Since most people begin to form their political views when they are in their teens. We feel it is necessary to give teenagers in Torrance a chance to join the club and learn more about the Republican party," stated Grasinger.

In late January, there is to be a conclave of Teenage Republicans at the Plush Horse Restaurant.

Teenagers who are interested in more information may call Bonnie Stratford at FA 8-6943.

### Rotarians Gather

At Los Angeles International Airport Thursday, Dec. 29, southland Rotarians will gather to greet the president of Rotary International.

President Edd McLaughlin and his wife, Pearl will arrive at 3:05 p.m. (American Airlines Flight No. 23) and will be whisked by airport police to a large reception at Gate 17-A on the south side of the landing strip at the Imperial Highway entrance.

Three district governors and presidents of Rotary clubs in the Los Angeles metropolitan area and other Rotary officials will hear McLaughlin give a short talk.

Leading Rotary officials in charge of the reception include:

Paul L. Duke, Palos Verdes Estates, governor of District 528, southwest Los Angeles area; Charles McCarthy, governor of district 526, North Los Angeles area; John C. Dalton, governor of District 530, east Los Angeles area; John English and V. O. Walker, past governors of Districts 528.

McLaughlin, a banker from Ralls, Texas, will speak Friday, Dec. 30, before members of Los Angeles Rotary Club at the Statler Hotel in Los Angeles.

Rotarians throughout the southland will join the Los Angeles clubmembers in paying tribute to the president of Rotary International during the luncheon meeting.

### FUCHSIAS

Fuchsias should not be pruned until later—not before February at least.

Use classified. Call DA 5-1515

**NATURE STUDY**—Forests and conservation are part of the social studies and science work of Miss Laverne Swegles' fourth and fifth grade class at Madison School here. Youngsters learn various types of trees and plants,

and names and habits of forest animals. Demonstrating reforestation techniques here are John Motto, Christine Hayden, Patrick Allardyce, and "Smoky the Bear."

### NICKEL

Alone or in various alloys, nickel resists corrosion and imparts strength, retains its properties under extreme conditions of heat and cold, and has many other valuable characteristics for specialized uses.
