

DANCER

GETTING ACQUAINTED with the Northrop T-38 Talon supersonic trainer at Edwards Air Force Base is Chuck Cottier, 1960 Milwaukee Braves second baseman. Cottier, at Edwards for a four-week Air Force reserve training tour, is a jet mechanic and will work on the

new Air Force training plane. Cottier, who lives in Hollydale, Calif., is out of uniform since he has just been traded by the Braves to the Detroit Tigers for the 1961 season and will report for spring training soon after finishing his reserve tour at Edwards. (Official U.S. Air Force Photo)

"SPARE THE ROD"

I condemn all violence in the education of a tender soul that is designed for honor and liberty. . . I am of opinion that what is not to be done by reason, prudence and address, is never to be affected by force. I myself was brought up after that manner: and they tell me that in all my first age I never felt the rod but twice, and then very slightly. I practiced the same method with my children. . . I have never observed other effects of whipping than to render boys more cowardly or more willfully obstinate.

—Michel de Montaigne (1533-92)

French essayist

THROWN AWAY

It is not easy for an education with which love has mingled to be entirely thrown away.

—J. J. Rousseau (1712-78)
