

Two South High School Seniors Finalists in National Contest

Alan Sherry and Chuck Levy, both seniors at South High School, Torrance, have been named finalists in the 1960-61 National Merit Scholarship Program competition, and have been awarded certificates of merit.

The two youths attained finalist status by their performance in two tests, and upon endorsement by their high school. High school grades, recommendations by curricular activities, and demonstrations of leadership and citizenship qualities are considered as well as scores on special scholarship tests.

The merit scholars, to be

NOT WHAT THEY SEEM. Many things are not what they seem: for example, German Silver is neither German or silver—Cleopatra's Needles were not produced by or for or during the lifetime of Cleopatra—Baffin Bay is not a bay—The Holy Roman Empire was neither Holy, or Roman, or an Empire.

announced April 27, 1961, will be selected from the finalist group.

PTT Executive Guest at Chest Awards Dinner

Lawrence T. Cooper, Pacific Telephone executive, will be the main speaker at the Fifth Annual Harbor Area Community Chest awards meeting, Thursday evening, March 23, at the Plush Horse Inn, James Visceglia, Harbor board chairman, announced this week.

Cooper, a Chest volunteer for several years, is currently chairman of the General Budget Committee, whose 250 volunteer members assist in the allocation of funds to 170 Chest-supported services in the Los Angeles Area.

Visceglia also said that Edwin H. Corbin, executive of Security First National Bank and chairman of the Chest's Associated Cities Committee, will serve as installation officer for new board officers and members.

The meeting, expected to attract more than 300 persons, will honor Chest volunteers and generous givers.

CODE PROGRESS

Some 135 cities and counties modernized building regulations during 1960 to permit use of copper tube in sanitary drainage systems, Anaconda copper plumbing specialists report.

Colt League Tryouts Scheduled For Saturday at NHS Diamond

Tordena Colt League will hold the first of its two tryouts this Saturday, March 18, at North High School field at W. 182nd Street and Yukon, in Torrance.

Yukon Street gate will be open for entrance to the ball field.

Boys 15 and 16 years of age who wish to play Colt League baseball this season will be registered at 9 a.m. and tryouts will start at 10 p.m.

Any boys of the proper age group who attends either a Gardena or Torrance high school may register. Proof of age will be required.

On March 25 the second and last tryout will be held, also at North High. Boys on high school varsity or J.V. baseball teams may not try out because of CIF restrictions. However, these boys may file an application with

EXPERIENCED BUYERS

Of the 3 1/2 million families who buy homes every year, six out of ten sell their own to by another. Anaconda plumbing specialists report. These experienced homeowners are on the lookout for new construction advances such as non-rusting copper tube for both water lines and sanitary drainage systems.

"I build all kinds, but I live in a Medallion home"

GEORGE CHACKSFIELD, PRESIDENT, CHACKSFIELD CONSTRUCTION COMPANY

"Because I'm a builder, I was most particular about my own home. Consequently, we built it to Medallion home standards.

"That was three years ago. Today, my wife wouldn't have any other kind of cooking facilities except electric. Certainly it's cleaner, and the heat is positive, dependable, uniform.

"From a builder's standpoint, Medallion standards for wiring and lighting are what every well-built home should have. For us, as well as home buyers everywhere, I believe, the Medallion is a mark of quality and prestige. I'm proud to have the Medallion Award on homes in my 'Montecillo' project in Rolling Hills Estates on the Palos Verdes Peninsula, and on my 'Merit Homes' development in Gardena."

Take a tip from builder George Chacksfield, an expert in his field. Choose the home with the Medallion Award.

Only one new home in five qualifies for the Medallion—an award which assures you:

1. All-electric kitchen, equipped with major electric appliances, including flameless range and oven.
2. Housepower wiring for modern electric living.
3. Light for Living—abundant light designed for comfort, safety and beauty.

The Gold Medallion Award includes all these Medallion features and more. For total electric living, the Gold Medallion adds:

4. Flameless electric space and water heating.
