

ON THE GO—Mrs. Dick White, a member of the Mothers of Twins Club, is modeling a two-piece cotton knit by Marie Phillips. Nubby weaved in beige with natural leather belt and buttons, the busy housewife or carer gal is always ready to go anywhere in this creation. Mrs. White carries a tapestry hand bag with leather trim that is available in gorgeous colors. The complete outfit is at Moore's Women's Wear Queen Shop, 1274 Sartori, Torrance.

Men's Footwear Steps Out In Neatly-Defined Styles

Men's clothing for Spring has inspired an abundance of new casual footwear in light airy leathers and bright spring colors.

Lightness of weight and appearance characterize the casual and dress shoe types. Light porous leathers soles are preferred, even in playshoes. The uppers are made of new springweight leathers for that "walking in the clouds" feeling.

New casual shoes are dubbed "carefree" by shoe designers because they're made for carefree living and because the leathers, such as washable white and scuff-resistant smooth and grained leathers, are easy to care for.

White, in a distinctive pebble grain, is used on casual styles and slip-ons—the latter sometimes decorated with a golf-shoe kiltie on the tongue. White is also combined with brown or black or both casual and dress shoes to complement light slacks and sport coats.

Brown leather colors are new this spring in hawthorn—a darkish brown shade usually in grain leather; dark oak—a blackened brown with a subtle bronze undertone; maverick—a medium brown with a slight greenish undertone; grucho—a cool tan to-bacco tone, especially popular combined with white and American burgundy—a deep cordovan color that goes with almost any color suit or slacks. Burnished olive and ivy—both with a hint of green—join loden green leather shoes to make up a new, smart color family.

Polished, waxy-finish fine grain and shrunken-grain

leathers are seen on casual slip-ons. These have moc toes with raised stitching on the vamp or traveling on back to heel. Some have straps across the tongue, either loose or fastened down with stitching, brass rings or fancy cut leather loops. Leather linings offer "backing" to shoes and comfort to feet.

Town slip-ons are seen with plain toes or in moc toes styles in which the stitching forms a flat reverse seamed played down effect that goes well with the restrained styles in business and casual apparel. A whole new type of slip-on is the wingtip, which offers the convenience of the slip-on but looks like the business man's elegant wing blucher.

Dress shoes honors are divided between moc-frants and wing-tips, and in both styles the emphasis is on lightness. Three or four eyelet styles are favored but even the traditional six-eyelet shoes are lightened by use of trimmer leather soles and have fewer perforations.

A wealth of gores—hidden or open elastic bands that improve over from casual to dress styles. Collegians and young executives alike are seen in handsome, high-rising slip-ons with side gores or "boxer" tops.

Temple Choir to Appear on Radio

Rabbi Henri E. Front, spiritual leader of Temple Menorah, and the temple choir will be presented over radio station KNX, March 26th, at 8 a.m. on "The Church of the Air" program. Rabbi Front's sermon will be "Hope Springs Eternal."

Music that will be featured has been arranged by Mrs. Harry Newman of Torrance, soprano soloist and voice teacher. Mrs. Newman is a graduate of the American Conservatory of music in Chicago, and now associated with the music departments of Lawndale and Lennox High Schools. Harry Newman, Cantor, will also appear on the program.

The inspiration of music plays an important part in the service and is generally centered around the ancient biblical chant especially arranged for cantor and choir.

Choir members are Mesdames Morris Rothstein, Carl Pearlston, Torrance; Mae Ronne, Hermosa Beach; Myer Alpert, Palos Verdes Estates; Paul Turkheimer, Stella Benmayer, Grace Larsen, Mr. and Mrs. David Goldenberg of Redondo Beach.
