

SIGNIFICANCE—Two letters hold special significance for instructors J. A. Grenier and Ivar Bjorndal of El Camino College. Grenier, left, was the recipient of a letter of thanks from the White House, to which he had forwarded a picture of President Kennedy, Dr.

Bjorndal, an exchange teacher from Norway, received appointment as a permanent instructor from King Olav VI. A copy of the Kennedy picture appears behind the two instructors.

### Dick Hickox to Join College All-Americans

The mighty mite of collegiate basketball, 5-6 Dick Hickox of Miami University, Florida, Saturday was named to the College All-American squad that meets the fabulous Harlem Globetrotters at the Los Angeles Sports Arena on the night of April 15. Hickox, smallest man ever named to the collegiate squad, joins a club that already includes 6-10½ Walt Bellamy of Indiana and 6-7 Jeff Cohen of William & Mary with more giants to be chosen among college seniors. The pint-sized giant, who

has rewritten the Miami record book in his three varsity seasons. Both as a sophomore and a junior, Hickox was named on UPI's "Little Man" All-American, and was honored on one of the standard All-America quintets. He has a three-year scoring record of 1506 points, including 596 as a junior, and has hit 20 points or more in 40 of 78 games, all Miami records. A brilliant dribbler and drive-in artist, Hickox, can also be deadly from the outside. A year ago, in Madison Square Garden, he gave the Hurricanes a two-point win over a strong Brigham Young team with a 40-foot shot as the final buzzer sounded. All this in a day when a 6-foot eager is called "Shorty." Glenn Davis, game director for the April 15 contest, announces that reserved seats priced at \$3 and \$4 go on sale Monday, March 27, at the Southern California Music Co., 737 S. Broadway, and at all Mutual Ticket agencies.
