Spring Is Housecleaning Time

Spring is the time of year when the housewife opens her doors and windows to let the fresh air and sunshine in. And it's the time of year when she begins doing her house cleaning.
 The conscientious housewife cleans thoroughly. She cleans out her closets, as well as floors, walls, woodwork and furniture. And she finds a lot of old clothing that isn't doing any good just hanging around.
 The St. Vincent de Paul Salvage Bureau needs old clothing right now to replenish stocks pretty well exhausted by winter demands.
 It also needs furniture, appliances, household goods and other discards.
 If you have clothing and other articles to donate, please call TE 4-4533, Harbor area and Orange County.
 Use Press classified ads to buy, rent or sell. Phone DA 5-1515.
