

SIGNAL
Signal at least 100 feet in advance, make sure it's safe to carry out the maneuver before you proceed, and by all means complete the maneuver for which you have signaled.

WET PAVEMENT
Wet pavement increases stopping distances, downpours interfere with visibility, water-softened road shoulders become treacherous, and showers cause pedestrians to make hasty mistakes.

Spring Missionary Rally Set Friday

Ascension Women's Missionary League will host the annual spring rally of the Centinela Valley Zone 5 LWML Friday, April 28, at Ascension Lutheran Church, 17910 S. Prairie, Torrance. Registration will begin at 7 p.m.

The Rev. Luther T. Engelbrecht, missionary to South India, will show films and speak of the work he and his wife have been doing among the Muslims in India. Mrs. Engelbrecht is a nurse and held daily clinics in her home for those in need of medical care.

Missionary and Mrs. Engelbrecht and their five children returned to America in July. He is presently enrolled in the University of California, Los Angeles, where he is engaged in further Islamic studies preparatory to returning to the mission field in India.

South Bay Kennel Club Meets Friday

Meetings of the South Bay Kennel Club are open to all persons interested in: Promoting better breeding of purebred dogs as specified by the American Kennel Club; showing dogs in both breed and obedience; or, furthering their own individual dog.

The Club will meet Friday, April 28 at 8 p.m. in the Eucalyptus Recreation Bldg., 123 St. and Inglewood Ave., Hawthorne, Calif. The meeting place has been changed to provide more space and a kitchen.

Election of Club Officers will be the principal goal of the April meeting.
