

Southbay Toastmasters Open Speechcraft Course

Southbay Toastmasters Club 280 began an 8 week speech course Wednesday night at the Redondo Beach Elks Club. The first of several outstanding speakers, Douglas Johnson of Torrance, TM Area Governor, kicked the course off with a lecture on introductions.

The club is offering the course to Southbay men at only a nominal charge for dinner and training materials. It will cover all phases of effective speaking and is conducted in conjunction with the club's regular meeting held at 6:45 p.m. each Wednesday night at the Redondo Elks Club.

The past weeks' program included a mental time machine concept with speakers of extemporaneous table topics projecting themselves 10 years into the future as TV news casters of the 1970's, under the guidance of futuristic teleneews caster Collins Dunn. This was followed by the speech craft lecture and a panel of five speakers who, under the gavel of toastmaster John Chadwick, turned time back 100 years to the civil war.

Cups were awarded to Geo. Goodson of Torrance for Best Table Topics and 2nd place cup for his Icebreaker, the first speech he had made before the group. Oldtimer Bob Norland of El Segundo won first place honor for the formal speech session with his talk on "what if the South had won?"

Any men of the Southbay Area who wish to attend these sessions may obtain further information by contacting Collins Dunn at FR 5-7977.

Enthusiastic Fans to Share Team Ownership

Enthusiastic public response to the newly launched stock offering of the Los Angeles Jets, new pro basketball team, was announced this week by Stanley L. Brown, chairman of the board. "We are not surprised," said Brown, "but gratified with the reception that the Southern California public has given the Jets. We were confident they would, of course. The reaction has been overwhelming particularly since we announced the acquisition of Bill Sharman as our general manager and coach.

"Bill's popularity, experience and stature in the sport was all the propulsion we needed to show the public we were definitely on our way," commented Brown.

The club is offering common stock to the public at \$15 for 10 shares. In addition, investors will receive five free tickets to games next season, a founder's membership card and an owner's label pin. Information is available by calling HO 2-1171 or HO 2-6394.

Brown also disclosed that Jet president Len Corbostero and Sharman began a two-week, cross-country tour Monday to contact and secure top player talent for the team.

Barbershoppers Sound Their 'A'

The old traditional Barber-shop Quartet movement that sprang from the grass roots of America has come back to the Palos Verdes Peninsula with improvements. Thanks to the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc., the Palos Verdes Chapter is attracting men from all walks of life in our community to join in singing those good old songs, and blending their voices in furbelowed harmony.

That's why SPEBSQSA INC. has moved across America with the velocity of a twist-er. Men everywhere take to it

and that's a discovery that our neighbors in the area have made after singing in the 4 Part Harmony Chorus Group session on Monday evenings. Harmonizing such good old numbers as "When You Were Sweet Sixteen," "You Tell Me Your Dream," "In The Evening By The Moonlight," "She's Only A Bird In A Gilded Cage," and a few others in classic barbershop style.

Membership in the new Palos Verdes Chapter SPEBSQSA INC. is open to all congenial men and an invitation is extended to them to attend next Monday's meeting at 7:30 p.m. at South High.
