## Torrance Primary Teacher Compiles Book of Sayings

"A Hole is a Nothin'"  
That's the title of a little  
booklet compiled by Claire  
Overfelt, kindergarten teach-  
er at Torrance Elementary  
School, Torrance, and sent  
home to parents of her stu-  
dents. Intrigued by the many  
interesting ideas that her chil-  
dren expressed, Miss Overfelt  
compiled some of the best de-  
finitions in the booklet.  
The title, "A Hole is a  
Nuthin'" comes from one of  
the definitions given by one  
of her students. Other chil-  
dren's views of holes, some of  
them quite humorous, includ-  
ed these:  
"A hole is to dig."  
"A hole is to play gold with."

## Hospitals Plan \$1 Inoculations All-Day Today

Today will be "polio Clinic"  
day at five greater South Bay  
community hospitals for the  
benefit of persons who need  
polio booster inoculations, or  
who wish to begin or con-  
tinue the polio inoculation  
series.  
Five hospitals involved will  
offer the inoculations Thurs-  
day, from 4 through 8 p.m.  
at a nominal charge \$1, medi-  
cal spokesmen said.  
The inoculation program is  
under auspices of Southwest  
District of Los Angeles Coun-  
ty Medical Association. The  
Southwest District of LACMA  
will make physicians availa-  
ble during the designated  
hours. Hospitals will provide  
space, equipment, nursing  
personnel, and serum. Auxil-  
iary and volunteer units will  
provide secretarial aid and  
other assistance which may  
be necessary, according to Dr.  
William A. Taylor, president  
of the local district medical  
organization.  
Dr. Taylor also said clinics  
will be repeated at hospitals  
as a public service on the last  
Thursday of each month for  
an indefinite period.

## Older Job Applicants Get 'Better Break,' Reports Employment Head

Placement of job applicants  
45 years of age and over in  
business and industry by the  
Torrance office of the state  
Department of Employment  
totaled 545 in 1960, an in-  
crease of 19 percent over the  
1958 total of 443.  
That was the report this  
week by manager Murray W.  
Love, who said Rirector of  
Employment Irving H. Per-  
luss again had instructed him  
to give particular attention to  
the employment problems of  
older workers May 21 to 27.  
That week has been design-  
ated "Hire An Older Work-  
er Week" in conjunction with  
National Senior Citizens  
Month in May.  
Manager Love said also  
that he was gratified with the  
way placements of older ap-  
plicants for work held up dur-  
ing the first four months of  
1960 despite the recession.  
The 1961 four-month total  
was 29,123 compared with 30-  
049 for the corresponding pe-  
riod in 1960 statewide.  
**STATISTIC**  
"But the most meaningful  
statistic of all is that local of-  
fice placements of workers in  
the 45 and over age group  
totaled 59 during recession  
March of 1961, which was an

increase of 52 percent over  
the total of 28 in recession  
March of 1948," Manager  
Love said.  
"We think the job place-  
ment increase can be attrib-  
uted to three things," he con-  
tinued. "As a result of the  
steady emphasis Governor Ed-  
mund G. Brown and Director  
Perluss have put on the ol-  
der worker job program, we in  
the Department's local offices  
are paying even sharper at-  
tention to getting employers  
to accept workers on the basis  
of their qualifications to do  
the work, and not on the basis  
of how many birthdays  
they've had."

### EMPHASIS

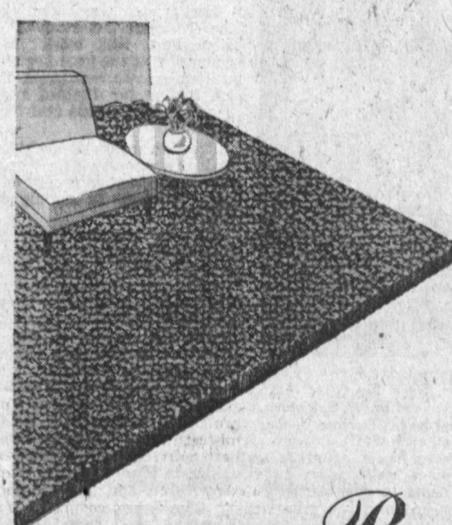

"Second, employers are em-  
phasizing job performance  
qualifications more and more,  
and birthdays less and less.  
You can't place a man in a  
job without a job opening, and  
I want to tell the mature,  
qualified workers of our com-  
munity that much of the credit  
for the better job being  
done by the employment serv-  
ice must go to employers who  
provide us with the job open-  
ings.  
Finally, the increasing gen-  
eral community support of  
the Department's policy of hir-

## Civil Defense Director Plans Lomita PI Program

Roy Hoover, chief admini-  
strative officer, Civil Defense,  
County of Los Angeles, visit-  
ed the office of the secretary  
manager of the Lomita Cham-  
ber of Commerce last week to  
set up a public information  
program on Civil defense for  
the Lomita area.  
Civil Defense literature will  
be available at the Chamber  
office, 24814 Narbonne Ave.,  
which will tell the public  
what to do in case of emer-  
gency. On a family basis, in-  
formation will contain "Indi-  
vidual and Family Prepared-  
ness," "Emergency Sanitation  
at Home," "The Family Fall-  
out Shelter," "Ten Steps to  
Industrial Survival" and  
"The Real Facts about Fall-  
out."  
Hoover pointed out that  
the County sheriff's stations  
and fire stations, along with  
the other County depart-  
ing job applicants of all ages  
on the basis of their occupa-  
tional qualifications in an im-  
portant contributing factor to  
improved performances as re-  
flected in operating statis-  
tics," manager Love conclud-  
ed.  
ments, will control much of  
the emergency in case of at-  
tack; but the family should  
know what to do and how to  
survive. Those interested in  
assisting the public welfare  
should call (women) the Red  
Cross headquarters and the  
(men) either the auxiliary  
Sheriff's dept. or the National  
Guard.  
Any organization, club,  
church or society, that would  
like to use the county's Speak-  
er's Bureau on the subject of  
Civil Defense should call Ho-  
over's office, Hall of Admini-  
stration, Los Angeles 12; or  
phone MADison 5-3611, exten-  
tion 6-4158.
