REQUEST C-2 ZONE . . .

Hearing on Proposed Zoning Change At Western, 223rd St. Starts Monday

Proposed commercial zoning at the southeast corner of Western Ave. and 223rd St. will be the subject of a public hearing to be held by the Los Angeles City Planning Commission. Hearing will commence at 1:30 p.m. on Monday, at the Wilmington branch city hall, 411 Neptune Ave.

Property involved is a single lot having a frontage of 50 feet on 223rd St. and 180 feet on Western Ave. The

property owners, Lewis and Sons, have requested that the present R-1 single-family dwelling zone be changed to the C-2 commercial zone, which would permit a wide variety of business activities. They have also requested that the present 25 foot building setback requirement on 223rd St. be removed from this property.

The hearing will be conducted by an examiner designated by the city planning

commission. Following the hearing a report and recommendation will be submitted to the commission. Final action will be up to the City Council.
