Barbershop Quartet Extends Invitation

Barbershop quartet singing, so popular with American men throughout the last century, has again come into the limelight in the area. "The call to join a group in close harmony is extended to all congenial males in the area to attend the next meeting to be held tomorrow night at 7:45 p.m. at the Anderson Memorial Recreation Center 9th and Mesa Streets in San Pedro," said Walter Jay Stephens of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc. The group is composed of men from Torrance, San Pedro, Wilmington, Harbor City, Rolling Hills, Miraleste, Palos Verdes, and Redondo Beach. The group is chartered as the Palos Verdes Chapter of the society. All members are guided by the code of ethics which

The code further states, "We shall, by our stimulus to good music and vocal harmony, endeavor to spread the spirit of harmony throughout the world." "It is of course a vital importance to our enjoyment of our musical activity that we produce harmony that is welcome and pleasing to the ear. It is equally important, for the good of our souls and the world at large, that we maintain within our hearts a feeling toward each other and toward our fellow men through the code of ethics which

For the past two week-ends the local congregation has been attending sessions of the 58th Annual Campmeeting of Seventh-day Adventists in Lynwood. Members of the church joined between 15,000 and 20,000 other sat weekend services of the great religious convention. "Our church is planning a strong religious program during the summer months just ahead," said Pastor Goffar in announcing this Saturday's service, which begins at 11 a.m. "We are planning our church's program on the basis of the need for spiritual

discernment never takes a vacation," Pastor Goffar said. "In the vacation months the need for spiritual strength is as necessary as at any other time of the year." Pastor Goffar said that throughout the summer there will be many children, young people and counselors participating in Summer Camp at Cedar Falls. He stated "Plans are under way for a series of lectures on Prophecy in the early fall."
