First Birthday At Magic Chef

Magic Chef Market at 21740 South Hawthorne Blvd., Torrance, celebrated its first Birthday Thursday through Sunday, July 13-16, with glamorous prizes, free orchids and a huge four-foot birthday cake that was served with coffee all day.

The beautiful, festive cake was iced by Ellen Cole, talented cake decorator who has been with Magic Chef since its opening a year ago. Mrs. Cole is a familiar sight to many local residents who have watched her quick fingers work charming and intricate designs on many cakes through the bakery window.

Averaging around 100 cakes

per week, Mrs. Cole also manages to raise four children and teach cake decoration classes in the Torrance Adult Education School System.

In addition to the cake eating ceremonies, visitors are invited to sign their names for drawing which features a Trip to Hawaii for two and a deluxe O'Keefe and Merrett Gas Range. Winners need not be present. The drawing will be held July 24.

CROWDS GATHER—Announcement in the pages of Wednesday's Torrance Press that Strum's department store, 1261 Sartori Ave., would stage a three-day sale event Thursday, Friday and Saturday, caused crowds to gather before the store even before the doors opened. Occasion for the sale was Strum's announcement that they would "go discount" and would dispose of all stock in the store at discount prices to make room for the changeover.

News Of Servicemen

A seven-day visit to Hong Kong, ended June 17, for crewmen of the attack aircraft carrier USS Bon Homme Richard, which is operating as a unit of the Seventh Fleet in the Western Pacific.

Serving aboard the mighty "Bonnie Dick" are Albert L. Heptig, airman, USN, son of Mr. and Mrs. Jack T. Heptig of 5339 Bindewald Rd., and Dennis D. West, airman apprentice, USN, son of Mr. and Mrs. John B. West of 21900 Martin St., both of Torrance.

While in the British Crown Colony, known as the "Pearl of the Orient," crewmen were given the opportunity to spend many hours sightseeing in the historic Oriental seaport.

The 42,000-ton Bon Homme Richard departed San Diego, Calif., April 26, to join the Seventh Fleet's operational force.

Fourteen students representing the Navy, Coast Guard and Marine Corps were graduated with honors, June 16, from the Naval Justice School at Newport, R.I.

Among the honor graduates was Donald W. Ferrer, yeoman second class, USN, son of Mr. and Mrs. Eddie A. Ferrer of 18529 Amie Ave., Torrance.

The seven-week period of instruction emphasized study of the Uniform Code of Military Justice.

Dr. Michael Francis Walsh, commissioner of education for the state of Rhode Island, addressed the students during the formal graduation exercises.

Army Pvt. Thomas J. Kling, son of Mr. and Mrs. Joseph F. Kling, 2836 Martha St., Torrance, completed the eight-week construction drafting course at the Engineering School, Fort Belvoir, Va., June 23.

Kling was trained to layout and present various views of objects to scale as working plans for such items as bridges, airfields, buildings and machines.

He entered the Army last February and completed basic training at Fort Ord.

The 20-year-old soldier is a 1959 graduate of Torrance High School and attended El Camino College.

Guess WHAT

-I don't wear glasses now!

Contact lenses have come a long way since they were first introduced to the human eye.

Now—so comfortable, so undetectable—contact lenses are for just about anybody: the self-conscious teen-ager, hating to admit she needs glasses... the society miss who feels that conventional glasses subtract from her youthful charm... the man or woman afflicted with forgetfulness who too often leaves their regular glasses at home. Whatever your reason for being interested, come in and see what Science has done about contact lenses to make them wonderful to wear.
