

### Eight Dory Teams to Race During Paddleboard Fete

Eight two-man dory teams will race in the Aug. 19 dory race from the Isthmus of Catalina Island to Manhattan Beach Pier, according to L. A. "Bob" Jean, director of the Sixth International Paddleboard Festival.

The Festival, the biggest part of which is the paddleboard race across the same 32-mile channel course the following day, is sponsored by the County of Los Angeles, the City of Manhattan Beach and the International Paddleboard Festival Association, Inc.

Dory crews and dories will be transported to the Isthmus

of Catalina Island the day before the race, and will leave at dawn Saturday. Winners are expected to finish sometime between 11 and 12 a.m.

#### TEAMS

Teams now in the line-up are Don Rohrer, Manhattan Beach, and Peter Cole, Malibu; Eugene Poole, Santa Monica, and William Bittings, Santa Monica; Gene Williams, Downey and Eddie Nelson, Hermosa Beach; Joseph Stalder, Manhattan Beach, and John James, Manhattan Beach; Robert Burnside, Malibu, and Howard Lee, Oxnard, Leonard Olguin, Whittier and Roland Lindstrom; Dan-

iel Brown, Palos Verdes Estates, and Karl Adamson, San Pedro; and Gary Clarke, Long Beach, and John Hiatt. Two other teams are expected to enter within the week, according to John James, dory race chairman for the Paddleboard Festival.

#### LOTS OF CODES

There are more than 2,000 different building codes in the United States, Anaconda home specialist report. Modernization of many of these codes is needed to permit adoption by builders of cost-saving developments such as copper tubing for drainage.
