## NOW the 6th Reason

Because of flood control and paving construction work, our 2 big locations (not one, but both) have been completely blockaded for several weeks. Now our stock of 1961 and 1962 Ramblers is mounting to serious proportions. OUR USED CAR INVENTORY IS ALSO TO THE BREAKING POINT... WE MUST REDUCE OUR STOCK IMMEDIATELY.

One visit to either of our two large locations will display the reason you can buy with confidence in an atmosphere where friendliness prevails.
