NOTICE IS HEREBY GIVEN in the matter of County Improvement No. 2126-M (First Street) that sealed bids or proposals will be received up to 9:00 a.m. on Tuesday, the 2nd day of January, 1962, by the Board of Supervisors of the County of Los Angeles, State of California, at its office in Room 288, Hall of Administration, 400 West Temple Street, Los Angeles 12, California, for the purchase of bonds to be issued in accordance with the provisions of Division 12 of the Streets and Highways Code (Municipal Improvement Act of 1913), and Division 7 of the Streets and Highways Code, for the acquisition of rights of way and for the construction of curb, gutter, pavement and drainage structures under the provisions of the Municipal Improvement Act of 1913. Said bonds shall be issued for all unpaid assessments or portions thereof which amount to fifty dollars (\$50.00) or over, and shall be in the respective amounts as set forth in the assessment for County Improvement No. 2126-M. Said bonds will be dated the 1st day of December, 1961, and shall bear interest at a rate to be determined at the sale thereof, provided, however, that said rate shall be the same for all bonds, shall not exceed the maximum rate of six per cent (6%) per annum and shall be in multiples of one-fourth (1/4) of one (1) per cent.

Said bonds and the coupons thereof shall be issued substantially in the form authorized for the issuance of bonds under Division 7 of the Streets and Highways Code of the State of California. These bonds shall be serial bonds and shall extend over a period ending nine (9) years from the second day of January next succeeding the next September 1st following their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year after the next September 1st following their date, until the whole is paid, and the interest shall be payable semiannually, by coupon, on the second day of January and July, respectively, of each year following the date of the bonds.

THE TOTAL NUMBER OF BONDS TO BE SOLD IS THIRTY-TWO (32) IN THE TOTAL AMOUNT OF FORTY-FOUR THOUSAND ONE HUNDRED EIGHTY-ONE DOLLARS AND FIFTY-ONE CENTS (\$44,181.51). Said bonds will be sold for cash only to the bidder whose bid in the opinion of the Board of Supervisors will best serve the interest of owners of land included in the assessment district.

Each bid must state that the bidder offers accrued interest to the date of delivery, and state separately the premium, if any, and the rate of interest offered for the bonds bid for. Each bid shall be for the entire amount of said bonds at a single rate of interest, and any bid for less than the entire amount of said bonds or for varying rates of interest will be rejected. Any bid for less than par and accrued interest to date of delivery must provide for an interest rate on the bonds of not less than the maximum rate of six (6) per cent per annum. Payment for and delivery of bonds will be made in the office of the County Treasurer.

A certified or cashier's check for a sum not less than three per cent (3%) of the amount of the bonds, payable to the order of the Chairman of the Board of Supervisors must accompany every bid as a guaranty that the bidder, if successful, will accept and pay for the bonds described in the accepted bid in accordance with the terms of his bid. The Clerk of the Board of Supervisors shall transmit said check to the County Treasurer, and said check shall remain in the possession of the County Treasurer until payment for said bonds has been received. The Board reserves the right to reject any or all bids. The Board also reserves the right to disregard insubstantial irregularities and technical defects in bids.

By order of the Board of Supervisors of the County of Los Angeles, State of California, adopted November 28, 1961.
