Dudley D. Cook Recognized for Years of Service

A handsome certificate recognizing five years of service to his community has been awarded to Dudley D. Cook owner of the Western Auto Associate store here.

The certificate, framed for display in his store, has his name artistically lettered across the center. It was forwarded from Western Auto Supply Company's general offices in Kansas City, Mo., and presented through the firm's division offices which serve this area.

Recognition of community service by local Western Auto Associate store owners is given by the company at five-year intervals. The honor indicates the dealer has completed a specified period of outstanding merchandising service to his customers and community.

DEALER PROGRAM

The Western Auto Associate store here is one of more than 4,000 home-owned and operated retail stores and agencies throughout the U.S., including Alaska and Hawaii. The store distri-

butes Western Auto's nationally-advertised company-owned brands and other national brands in this trade-

ed in 1935, will account for more than half of the company's quarter-billion dollar sales volume this year.

Western Auto Supply Company was started in 1909 as a mail order firm

in Kansas City to supply Model T Ford owners with such accessories as windshields, tops, spare tires, and tail lights. Total investment of the founder, George Pepperdine, a bookkeeper,

was \$5 for postage stamps to mail the sales circulars which he had obtained on credit. The company now operates more than 400 of its own stores and has gradually expanded.
