

SPEEDSTER — Torrance's own Paul Jones, younger brother of famed Parnelli Jones, will be one of the favorites in Saturday night's (Aug. 11) in 30-lap CRA

big car race at Ascot Park, 183rd and Vermont in Gardena. Paul drives 'Ted' Cadillac Chevy in speedfest.

Padres Triumph Over Seals Undisputed league Champ

The Sleep 'N Z Padres beat the Avers-Home Bakery Seals 6 to 5 and are now undisputed champs of the Torrance Minor Division. Wayne Larson won his 10th victory as the winning pitcher. Glen Wales gave a good performance as the Seals pitcher.

BIG PRODUCER
The productive Douglas fir region of Western Washington and Oregon provides lumber for one million homes a year, one-sixth of the nation's pulp and paper, 90 per cent of its shingles, 75 per cent of its hardboards, and most of its softwood plywood.

TOTAL
A total of \$1,357,951.29 has raised for charity in previous Ram-Redskin games with practically 100 per cent of the amount going to the construction of boys' clubs and furtherance of sports and welfare for Southland youngsters.

Language Study Credit Accepted From El Camino

Complete transfer credit will be given by UCLA, USC and the state colleges for conversational language courses completed at El Camino College. Harry Ruby, assistant director of instruction, announced this week.

Conversation courses formerly were used only for credit toward college graduation, but may now be used to fill credit gaps on the university level. "This will enable students to round out their language study in an area of less training than found in regular language courses," Ruby said.

The courses will be listed as 21 ABCD in the college catalogue and will be offered every semester.

The Seals rallied in the fifth and sixth inning came within a run of tying the game. With the bases loaded Jackie Nance, the Seal stalwart catcher, came through with a line drive hit to the outfield. While the first two runners scored, Bobby Hibbard made a good throw to third to get the third out and seal the Seals hopes of a victory.

In another defensive gem Wayne Larson picked a runner off of third to shut another bases loaded rally of the Seals in the fourth inning. Steve Volsin was the big Padre slugger with a double and two singles.

LET'S GO

BOWLING

With Carmen Fuscardo

Once again your reporter is back on the spot to relate scores and news of interest to all you Gable House Bowling fans.

While on vacation back east I was fortunate to watch the Pittsburgh Steelers workout at West Liberty State College in W.Va. From the looks of things the Steelers are going to be a threat. Also, bowling being our business, I visited many of the establishments in the east, although they were very nice, alley conditions were fine but still the Gable House is hard to beat — including all of you nice people.

TOP SCORES

Lady keggers are still setting the pace in split conversions. The following ladies showed how easy it could be done. Virginia Peters, Maggie O'Neill in open play, Connie Brown Wednesday 625 Scr., Edith Shimane, Barb Squillante, Guys and Dolls, K. Matsui for the Tri City.

Two hundred or better scores rolled by gals were by: Mary Krevenas, 209; C. Townsend, 207; Rusty Owens, 202; Janet Kishiyama, 201; Rose Constantino, 200; Madeline McNare hit a 102 triplate.

The men found the lanes to their liking also. Ray Clements blasted the pins for a terrific 276, Karl Martenka in the moonlite bowling scattered the red crowns for a 263, Pete Reed 253 and Rick Kakuti totaled 252. Nice bowling fellas.

Terry Will Race At Ascot Park

Mack Terry, up-and-coming young driver from South Gate, recently signed to drive the hot Vel's Torrance Ford in the 30-lap California Racing Association big car race set for Ascot Park Saturday night, Aug. 11.

The sleek speedster was just purchased by the Torrance Ford firm from Omar Danielson of Lynwood, and should give the favored Charvies and Offies a battle for top money.

It will be the first of three successive Saturday night races for the roaring CRA big bore machines at Ascot after an absence of nearly a month.

Match games dominated the scene this past week when the Gable House Juniors journeyed to Cal Bowl where the GH bowlers won three games with a total of 2750. High score went to Pat O'Donnell with a 637. In a return match with their previous victims the Gables came out on top once again with an even bigger margin than the first contest with 2819. Leading the victors was Dynamite Dave Matosky with a rippin 681 series.

The Gable House match team led by Ron Ridgas 683 and John Ingall 620 defeated the GHBA 2953 to 2846. Sunday this same team defeated Palos Verdes Bowl 2721 to 2674. Army Sherrill had high series with 616. Frank Kessler high game with 222. Ron Ridgers competing in a match game to lose the pins with games of 221, 235, and 246 for a grand total of 702.

SPECIAL

The Gable House once again gives their bowlers opportunity to improve their game. Sunday through Thursday, Midnight 'til 2 a.m. and Friday and Saturday midnight 'til 8 a.m. you can bowl for only a quarter a line. That's right only \$.25 cents per game.

Just a reminder to sign up for the winter leagues. In just a few short weeks the season gets under way.

Football League Tryouts Slated

Boys wishing to get into the play with tackle football will be able to try out their skills for Torrance Pop Warner League from 5 p.m. to dusk during the day this week at Torrance High School.

Boys eligible for the tryouts must have signed up July 28, must be from nine to 14 years old, and must weigh from 65 to 125 pounds.

Torrance will field six teams of 33 boys a team during the fall season.

'Stock Championships

Lions Drag Strip in Long Beach will be the site of the National Stock Car Drag Championships Saturday night.

The meet is expected to draw over 200 of the top stock cars in the country, with nearly 50 of the super stock and sports variety.

These drivers have been reaching speeds of over 115 mph in the standing one-fourth mile in stock cars, and doing it in less than 12-and-one-half seconds.
