

# Harbor Seahawks Take First Win

## PRESS Sports

Harbor College Seahawks won their first Western State Conference game 12-6 from Ventura Saturday night to climb out of the league basement. This Friday they meet the league's top team, Glendale, on the Harbor field.

games by one touchdown, preserved the same margin in winning. Trailing 0-6 at the half the Seahawks put together a roll-out by Ray Jones for a third quarter touchdown and a tackle eligible pass to Richard Dick for the clincher in the fourth quarter. Other scoring opportunities were nullified by fumbles and interceptions.

Coach Joe Berry had high praise for the Seahawk's play during the second half. "For the first time this sea-

son they were all playing real football. We just might pull a surprise against Glendale," he said. That task won't be an easy one. The team that lost to Harbor 6-12 lost to Glendale 6-60.

## Chamber Executive Named To Slo-Pitch Softball Post

Richard S. Fitzgerald, manager of the Redondo Beach Chamber of Commerce, has been re-elected president of the West Coast Slo-Pitch Softball Association, according to an announcement by Executive Secretary George Fowler.

Elmer (Red) Moon, Torrance Recreation Department official, was selected first vice-president with Redondo Beach Councilman David K. Hayward copping second vice president post.

The West Coast Slo-Pitch group enjoyed a successful season in its initial start with plans for 1963 even more elaborate.

With close to a thousand slo pitch teams in Southern California, the need exists for a so-called major league. Last year top teams from Santa Ana, El Monte, El Segundo, Hawthorne, Gardena, and Torrance tangled in league action with the Torrance Tappa Keggas not only copping the league championship, but also the West Coast tournament held in Redondo Beach.

## Golfing Clinic Set Thursday

Having trouble getting off those 250 yard drives, sinking those 10-foot putts, or blasting out of a treacherous sand trap?

Students at El Camino College and any interested visitors will see these problems ironed out on Thursday, Nov. 15, when Betty Hicks, first president of the Women's Professional Golfers Association, will conduct a golfing clinic on the Warrior baseball diamond.

Mrs. Hicks was runner-up in the National Women's Invitational (1945-46), the 1944 All-American Women's Invitational, and the 1941 National Amateur Women's Open.

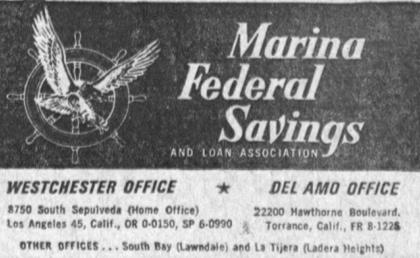

Representing Wilson Sporting Goods, Mrs. Hicks plans to begin her clinic at 11 a.m.
