You may telephone the James A. Doolittle, General Director for the theater, 3-3936 for information and initiated the idea in 1958 of illustrated brochures and "A Night With Harry Belafonte" forms.

DATELINE . . .
 By Ted Stephens

Around we go — dusk to dawn — and everything's going wrong this week — so I won't even start — the percentages are hay wire. . . .

I finally had the pleasure of meeting Pat Hoag with time enough to talk about things — he says a face lifting is in the old mixer — and about to happen to the LITTLE STAGE — on Hawthorne Blvd. . . .

Sir Cedric was blessed with a new rug runner last week — now HE can stay up all night with the diapers. . . .

Sandy Addams has kindly consented to be of some help with some publicity shots that need to be taken — She's that VERY nice looking — speaking — smiling waitress at CYRANO'S LOUNGE in Redondo Beach.

THE FAMILY SIDE POCKET had lot's of pappas and Mamma's in last week with the kids — comment or two over heard — "Gee, I always thought pool halls were dingy little places — but this place is just beautiful." That from a mother of four — oh yeah, the kids were playing too. . . .

Finally got in touch with Juanita Hare — we just had trouble communicating — she's really got a job in re-building the INSOMNIAC — but this kid's got a lot on the ball and lot's of heart — she'll make it — especially with the wide variety of entertainment she's offering the public — Juanita has something to suit everybody seven nights a week — at Hermosa's own INSOMNIAC.

Harry Prod and Angee Pappas are getting ready for the second anniversary of the PARASOL. . . . I ain't going to let the cat out of the bag now — but if anybody misses this party at the 'GATEWAY' — well, I'll just put it this way — "may fire and brimstone rain upon your little pointed heads. . . ."

Somebody goofed. — JODY'S ON PACIFIC COAST HWY IN REDONDO BEACH IS RUNNING AN AD, LIKE, a steak dinner is going for one hundred coppers — Lincoln heads mind you — and somebody found out about it — JODY'S has been kind of swamped for the last week — if this keeps up — Texas may go out of business. . . .

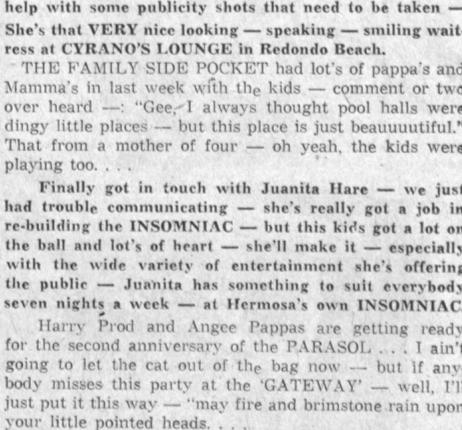

I tried very hard to get hold of a certain picture of Bobby Troup to run this week — didn't get it — anyway, was talking to Mrs. Parrish Monday — you know what —? She's kinda nice her own self — . . . Julie London dropped in Saturday night to catch hubby's act. She's as crazy to look at as ever — said she'd be back in a week or so — That's at the PARRISH HOUSE IN HAWTHORNE.

The Rouser's opened at the GASLIGHT last week — They just had a smash gig at the El Cortez in Vegas — and now there doing it again here in OUR town — Lot'sa laughs and songs — from the time they start — till the last second before they take a well earned break.

A reception at La Venta for Lee Boyce — Smith's daughter come this Friday night — wish um the best.

Al McBride — New office — New party — Cocktails — ah heck BOOZE for everybody — now it's all gone. . . .

Caught Johnny Prophet's act last week — He's at Little Caesar's on Van Ness — then who do I see on the idiot box Sunday — your right — it was the Prophet man himself doing a really great gig for the CITY of HOPE people — good people, huh!
