

**JERRY TERRENCE** has been named executive vice president of The Al Terrence Carpet Company by Al Terrence, president of the 6-store carpet specialty operation. Jerry Terrence has, for the past 6 years, been in charge of the company's advertising and promotion and will continue in that capacity with his new duties as executive v. p. in charge of merchandising and personnel.

Young Terrence majored in business administration at USC and has attended schools and clinics at the nation's leading carpet mills. The Al Terrence Carpet Company is the country's largest volume independently owned chain of specialty stores and, a few years ago, was voted the National Award for Retail Excellence by the carpet industry.

All Terrence will devote more time to his philanthropic and charitable work as well as serving as Commissioner on the California Correctional Industries Commission, a post to which he was appointed this year by Governor Edmund G. Brown. Jerry is married and he and wife Linda are presently expecting their first child.

### SWINGING DOWN A LANE

Here we are with that GO! GO! sign again. The pro-amateur tournament is almost upon us, and this year it looks like it will be even bigger than all other tournaments. The pro tournament will be held at Rose Lanes in Gardena on Sept. 5, 6, 7, 8. The greatest bowlers in the nation will be present — DON CARTER, ANDY MARZICH, RAY BLUTH, DICK WEBER, FRED RICCILLI, BUD HODGSON, and many, many more. Last year the tournament was not televised, but this year, due to teamwork of Bob Caudle, promotion manager; Norm Belt, general manager, and one of the owners, along with Stan Green and Harry Hugasian, this year the tournament will be televised over Channel 5, sponsored by the Columbia 300 ball. This is something no bowler, beginner or old timer should miss.

On Sept. 5 the Pro-Amateur tourney will be held before the Pro-Tournament. The Pro-Am tournament will be a team of one pro and one amateur, combining total scores. The Pro bowl is scratch, while the amateur bowls 2/3 of 200 handicap with no maximum. Amateurs will be bowlers who do not belong to the PBA.

**Doubles Affair**  
This tournament is classified as a doubles affair with one amateur and one member of the PCA. Combining for a team, all of which will be selected at a public drawing. This tournament will be a three-game match, total pins to count. There is still time for you amateur bowlers to qualify for the chance to bowl with a top pro. Entries are limited so you better hurry. \$5000 goes to amateurs only. Qualify at Rose Lanes in Gardena, Ocean Lanes in Long Beach or La Tijera in Westchester.

Top pro bowlers Robbie Frey of Torrance failed to defend her Saturday afternoon TV title, bowling in the "Women's All Star Bowling Match" against another top pro Wilma Anderson. These girls had to rush back from Oxnard, where they were appearing in the Wagon Wheel Bowl's handicap singles tournament. They just did make it.

When the televised program started over Channel 5, they had not arrived, so you can imagine the pressure the girls were under. Nevertheless, they bowled beautifully. Wilma Anderson 190, series 592. Robbie Frey 183, series 536. Robbie said she could not have been happier. Wilma is a fine gal and a better sportsman you won't find anywhere. Congratulations to you both.

Over at the Gable House, Ron Ridgers is holding his own in the Peterson Point Singles Classic, 653 for a three games series. Teno Fernazzo 625, 623. The way the league stands for this week: first place, Ron Ridgers 162-72 points, avg. 202 for 60 games. Tino Ferlazzo, 153-02 Peterson points, avg. 194 for 54 games and Davey Malosky 148-60 points for 54 games, avg. 194. In the last two years Davey has been matching games against some high scoring bowlers. He is only 16 years old, stands 5-2, weighs 120 pounds. Seems as though the ball would carry him right down the lanes. I, for one, would like to see these boys keep their amateur standing until they are 18 years of age.

**For Mid-July**  
The Golden State Singles winners at Gable House are Class A, Jerry King 786; Robert Nugent, 243; Ben Becker, 676; Stan Korhunik, 257; Class B, Lucius Maloney 662; Bruce Bostwick, 226; Bud Hamilton, 601; Max Welch, 230; Class C, Walt Kataoka, 625; Jon Chomicz, 208; Robert Sudbrink, 578; Jan Chomicz, 206.

**Fun Day for Over-50s**  
Sunday was fun day for the National Fifty and Over Bowling Club and their families. This is the time of year for picnics and we held ours at Alondra Park. Usually the sons and daughters have picnics for the children. While making the plans the conversation might go something like this. Shall we call Nana and Grand-Pa and see if they would like to go? Or do you think it might be too much for them? Maybe they will get too tired before the children want to go home and so on. But that is not the case when picnic time comes around for us. We invite the children and grandchildren and if they get too tired before we are ready to leave, they have their cars. We do have a lot of fun. The motto of the club is "Stay Young, Stay Happy, Stay Healthy." And that is what we intend to do.
