## Board Okays Improvement Of Drainage

Allocation of \$2,200 for construction of roadway drainage facilities on 159th Street has been approved, according to Supervisor Kenneth Hahn.

On the south side of 159th Street from Maple Avenue to approximately 150 feet westerly, asphaltic concrete curb will be constructed and a portion of the roadway will be reconstructed with asphaltic concrete pavement. In addition, a 9-foot wide paved and curbed asphaltic concrete drainage channel will be constructed between the west end of the improvement on 159th Street and Alondra Boulevard.

The completed project will improve area drainage, reduce maintenance costs and generally add to the operational efficiency of this section of 159th Street.

## Feature 'Jonah' to New Score

Featuring an original musical score by Steve Andrews, El Camino College student, "The Sign of Jonah" will run tomorrow through Saturday in the Campus Theater.

Cast includes Rory Gerstle as Jonah, Helen Garabedian as the "queen," and Ron Berges as the judge.

Other actors are Mack Owen, Christy Vasquez, Todd Bingham, Robert Pierman, John Wilson, Curtis Clynne, Greg Anego, and Bill Frick.

Sets and lighting are under the direction of Les Thomas, Linda Arnold, and Clark Trimble.

Reserved seats are available at the El Camino College student store for \$1.50.
