

New Class Set for Retarded

Current organization of a class designed to meet the needs of the pre-school child has been announced by the Garden Valley Association for Mentally Retarded Children.

Educators in the field of mental retardation have long stressed the value of early training. The association will direct the class to prepare children for special programs in the public school.

Interview appointments for prospective students, from the age of 3, are being accepted by Earl Cleveland, director. Parents may arrange an interview by telephoning Cleveland at DA 4-3822.

Suitable quarters for the pre-school classes are in the process of being located near the main school at 1119 W. Redondo Beach Blvd.

Volunteers to work one day a week from 9 a.m. to 12 noon or from 11 a.m. to 3 p.m. will be needed when the program is in operation. Previous experience is not necessary as qualified teachers will supervise all volunteer duties.
