

LIONS CLUB SALE . . . Terry Anfuso draws attention to a stockpile of fruit cakes which the South Torrance Lions Club has acquired for the club's annual fruit cake sale. Proceeds from the sale are used to support the eye conservation programs of the club and to provide a scholarship for South High students.

### South Torrance Lions Begin Fruit Cake Sale

Members of the South Torrance Lions Club have launched their annual fruit cake sale, according to Frank Deane, president of the club. The sale will continue through Christmas or until the supply of fruit cakes is sold.

Each year the club sells "Benson's Old Home Fruit Cakes" to help finance the numerous projects which it supports. "The year, we hope to set a new sales record," Deane said.

A major portion of the funds raised through the sale is used to support sight conservation programs, including free eye examinations, surgical corrections for needy children, and recreational activities for blind and handicapped children. An annual scholarship also is given to a South High senior. The fruit cakes may be purchased from any number of the club's or by calling 375-9018 or 375-9454.
