VEL'S FORD IN TORRANCE OFFERS FREE SAFETY INSPECTION

Mr. Bill Lowery, Service Manager of Vel's Ford in Torrance, has announced that free safety inspections will be made available to every local car owner requesting same between now and January 31, 1966.

In order to prepare local drivers for the program of roadside inspection of safety equipment on passenger cars as announced by California Highway Patrol Commissioner Bradford M. Crittenden, Vel's Ford-Most Service Center will give a complete safety inspection free to every car owner upon request.

All safety inspections will be conducted at Vel's Safety Lane, 20900 Hawthorne Blvd., in Torrance using Bear Equipment, the finest of its kind for this purpose.

Braking power of all four wheel brakes will be measured. Cars will be checked on Vel's Scuff Gauge to verify front end alignment, tire wear, steering and suspension systems. The electrical system including all lights, turn indicators, brake lights and stop lights will be inspected. Horn, windshield wipers, exhaust system and other general safety features of the automobile will also be checked. Safety inspection stickers with date of the inspection will be issued upon completion of the safety examination.

All those interested in the safety inspection are reminded, says Mr. Lowery, that the complete checkup is being offered by Vel's Ford absolutely free of charge. You are invited to drive in to Vel's Ford-Most Service at 20900 Hawthorne Blvd. in Torrance, and ask for Mr. Clarence Maples, Mr. Irv King or Harold Winkle for personal assistance. Safety Lane is open daily from 10:00 A.M. until 4:00 P.M.
