Fly into Spring

Pilot an airplane for \$5

Clip this ad and bring it out the airport. For only \$5 one of our licensed Flight Instructor pilots will take you up in the easy-to-fly Cessna 150, and turn the controls over to you. He'll sit beside you with his dual controls while you fly the airplane. Take advantage of this unusual opportunity to find out how easy and fun flying an airplane really is.

It's just that easy... and you'll love it!

1. Today's airplanes streamlined, simplified, easy-to-operate, completely safe.
2. Flying lessons now easy as driving lessons with our new streamlined teaching methods.
3. Ground School subjects simplified, easy-to-learn, easy-to-remember with the new VIS system.

Why fly? More family vacations to more places. Set your own schedule, travel when you want to. More business trips, more profit. More time there, less time getting there. And, it's FUN!

Free Invitation! Come out and see us at the airport. Look over our airplanes. Talk to our instructors. Sit in on an actual ground school class. You'll enjoy every minute . . . and there's no obligation at all.
