

# Spartans Speak

By Kathie Murray

Cheers from South High! The All-School Conference, held at South March 29, proved to be quite a successful day. Representatives were present from North High, Bishop Montgomery, Redondo, Palos Verdes, and Rolling Hills. Discussion groups were formed and new ideas were spread from school to school. A big thank you goes to Nancy Menashe for all the hard work she did on making the conference a success.

Last Wednesday the annual Junior-Senior Career day was held. Professional people representing many vocations were here to explain them to the students. Everyone agrees that Career Day was a big success.

As far as sports go, South is still among the top in the Bay League. Our baseball team is in first place and our track and tennis teams are in second. Keep it up fellas!

Today is Junior Administration Day here at South. It's an annual event when student council members take over the school with the help of their actual counterparts. The students and who they will represent are: Dr. Lucas, Fred Meyer; Mr. Benson, Doug Vogl; Mr. Morgan, Paddy Benson; Mr. Marashian, Jim Byrne; Mrs. O'Connor, Mike Farber; Mr. Anderson, John Balow; Mr. Rotcher, Scott Christensen; Miss Castle, Pam Arndt; Mrs. Grebel, Nancy Menashe; Mr. Jones, Charlie Phillips; Mr. Muse, Cheryl Aston; Mr. Shoen, Kathy Murray; Mrs. Melton, Mike Lewis; Mrs. Brown, Barbara Bingham; Mrs. Knudson, Carol Lee; Miss Ringheim, Sandy Maddox; Mrs. Ellsworth, Sue Butterfield; Mrs. Patten, Sherry Smith.

Finals are over, thank goodness! Just one more week before we can relax. Easter vacation begins Friday and to start it off, in the evening the student body will enjoy the annual Girls' League Cotton Ball. This gala event begins at 8 in the Spartan gym. The theme this year is "Showboat." This dance always has the biggest turnout of the year because it is a backward dance. This is also the only dance of the year where the boys can go for free.

That's all from South for now. See you next week.

Alas! Two more school days left in the third quarter and then Easter vacation. Mark the day, Friday, April 9.

A NEW TYPE of awards banquet has been planned for South High this year. "Spartan Laurels," submitted by Patti Turner, will become the permanent name for this affair. The purpose of this banquet is to honor those students in all activity areas at

South. Trophies, plaques and certificates will be awarded. The banquet will take place on Friday, May 28.

Nancy Menashe, Girls' League President, has announced a new bulletin board that is located by the Administration Building. It will feature all of the latest in fashions from all over the world. This week styles from England are in the spotlight.

Junior class president Scott Christensen, has announced that on Friday March 19, 350 juniors bought their class rings. That was really great. Re-orders for those who missed the day will be taken again next year.

CANDY IS being sold by the Athena Service Club for American Field Service this week at South. Let's support this program and buy a bar or two or three.

Oh, just a word about the Donkey Basketball game which was held on Thursday March 18. It was a smashing success. The gym was packed to capacity. Of course, the students beat the faculty 18-12 but that's to be expected. The big star for the winning team was Bad News Balow. I think everyone would agree that the sophomore class really did a great job on this event.

That's the latest from South High for now.

## From Edison Delegates to Attend Palm Springs Meet

Two home economists serving Southern California Edison Company's Redondo Beach district office will attend the 10th biennial California Home Economics Assn. convention in Palm Springs, according to L. E. Jenkins, district manager.

Mary Lee Waggoner and Margo Weils will be among the 1,000 delegates attending the convention April 10, 11 and 12 at Hotel Riviera, he said. The program will include sessions on family relations and child development, household equipment, nutrition and food, textiles and clothing, and home economics education.

Sessions have been planned to keep delegates abreast of new developments in their fields in order to benefit the community they serve, he said.

Co-chairmen of the convention are Mrs. Betty Novak, Edison's Marketing Home Economist, and Mrs. Maxine Miller, associate professor of home economics, California State College at Los Angeles.
