

Spartans Speak

By Kathie Murray

Busy, busy, busy, are the best words I can use to describe South High this week. Last Tuesday and Wednesday the tryouts for cheerleaders, song queens and flag twirlers were held. Now the cheerleaders and song queens will go in front of the entire student body for final judging. Today they will be elected by ballot at the same time as the other ASB and glass office elections are held.

Out of the 12 finalists for cheerleaders, five will be chosen. There will be two out of the seven girls who make it and three out of the five boys. For song queen six out of the 10 finalists will be selected. The flag twirlers for next year have been selected and they are: Norma Burkus, Mitzi Lewison, Janice Peterson, Meg MacLeod, Vicki Giff and Cindy Davoli. All of the girls who tried out worked hard but not everyone can win. For the girls in the finals—good luck!

BOYS LEAGUE is sponsoring a mystery voice contest. The person who can identify the voice will win a free "Sounds of the South" album. For a hint, the mystery voice is a senior girl, well known around campus.

The Girls' League cabinet has announced its April "Girl of the Month" who is Linda Huyssen. This month the cabinet will nominate senior girls for "Girl of the Year." The final choice will be made by the Girls' League sponsors.

Girls' League is also giving three \$100 scholarships. Any senior girl with a C average is eligible. This scholarship is based on service to the school.

WEDNESDAY, May 26, the Girls' League will have installation of the new officers. This is one of the most inspirational assemblies that South has.

Bids Opened For Addition At El Camino

Bids for a three-level addition to El Camino College music facilities will be opened May 25 according to Lehman W. Brock, director of business.

The 48,000 - square - foot structure will be constructed adjacent to the present music building, Brock said.

Bids received May 25 will be submitted to the college Board of Trustees for consideration at the regular meeting June 14.

If a contract is awarded at the June meeting, it is hoped the new building will be ready for occupancy at the beginning of the fall semester.

Dal Derouin In Dominica With Troops

Spec. 4 Dal Derouin, son of Mr. and Mrs. Gil Derouin, 1625 Beech St., is a member of the U. S. forces in the Dominican Republic.

Derouin, who spent two years in the communications section of Allied Headquarters in Paris, now is a member of the 37th Signal Detachment, and is stationed in the U.S. Embassy in Santa Domingo, capital of the island republic.

In a letter to his parents, written shortly after he arrived in the strife-torn country two weeks ago, Derouin reported that it was hot and that the embassy had been shot at several times. He is assigned to the U.S. communications section.

North Grad To Attend Lipscomb

Thursday, May 27, is the biggest date of the year. It is the first annual Spartan Laurel banquet. Students in all fields will be honored.

Hurrah, hurrah, hurrah! Our baseball team defeated Santa Monica Wednesday 6-4. What does this mean? It means that South goes to CIF playoffs. Congratulations to South's fabulous baseball team!

That's all for now. See you next week.

West High Girl Wins Top Award

Adele Palmer, valedictorian of the West High Class of '65, has been awarded the Annual Award of the Reader's Digest Association for students who show promise of attaining leadership in the community.

The award was announced today by Dr. Robert Ford, West High principal.

Miss Palmer will receive a personal certificate from the editors of Reader's Digest as well as an honorary subscription to the magazine.

Schools Get Top Citation

Formal presentation of a Freedoms Foundation award to the Torrance Unified School District was made last week during a meeting of the Torrance Education Advisory Committee.

Dr. Grace Bell, a member of the foundation's Los Angeles County Chapter and an associate dean at the California College of Medicine, presented the citation. Mrs. Kenneth E. Watts, president of the Board of Education, accepted for the school district.

Announcement of the award, which was presented for "outstanding achievement in bringing about a better understanding of the American way of life during 1964," was made on Washington's birthday.
