

Assignment TV

By **TERRENCE O'FLAHERTY**

Hollywood, the land of the quick change, is feverishly at work preparing next season's surprises—among them the loss of a high school English teacher, a personnel shakeup in a large hospital and the promotion of a new trail boss.

Dr. Zorba, your friendly corner neurosurgeon, will retire from his position with "Ben Casey." Actor Sam Jaffe had very little to do and has been bored with the role for some time. He probably wants to leave it while he still has his hair. Jaffe's real-life wife Bettye Ackerman will continue in her role of Dr. Maggie Graham.

Franchot Tone will join the cast as the hospital's new "chief of service" and Casey will have a new buddy played by James McMullen.

"**RAWHIDE**" is a television series that is long on popularity and short on publicity. The mailboxes of TV columnists are not stuffed with news about its problems or its heroes. It just goes on being popular with viewers and that's what counts.

U.S. Flags Offered By Scouts

"Buy A Flag Today," a new community service project initiated by the Angeles Girl Scout Council, drew city-wide enthusiasm recently when four Girl Scouts—twins Karen and Carol Mills, Lisa Brown, and Sue Stanley—and the public relations director of the Angeles Girl Scout Council starred on George Putnam's television show, displaying a 3-by-5-foot American flag.

The cotton flag, with a six-foot aluminum staff and a metal holder for mounting, can be purchased by sending \$5 (includes postage and sales tax) to FLAG, Girl Scouts, P. O. Box 75245 Sanford Station, Los Angeles 90005.

Much demand for American flags, especially now for Flag Week, June 13-19, and July 4, led the Council to offer large quantities of flags all year-round to their friends, neighbors, and acquaintances throughout the council area—and beyond.

The 17 official flag holidays are: New Year's Day, Jan. 1; Inauguration Day, Jan. 20; Lincoln's Birthday, Feb. 12; Washington's Birthday, Feb. 22; Army Day, Apr. 6; Easter Sunday, variable; Mother's Day, second Sunday in May; Memorial Day, May 30; Flag Day, June 14; Independence Day, July 4; Labor Day, first Monday in September; Citizenship Day, Sept. 17; Columbus Day, Oct. 12; Navy Day, Oct. 27; Veteran's Day, Nov. 11; Thanksgiving Day, fourth Thursday in November; Christmas Day, Dec. 25.

Bureau Appeals To Teenagers

The Volunteer Bureau, South Bay Harbor, has issued an appeal to 16 to 18 year olds to participate in the bureau's activities during the summer months. Volunteers are needed in reception and record work.

Further information is available by telephoning Mrs. Arthur R. Turner, TE 3-5227, during the morning on Mondays, Wednesdays, or Fridays.

This fall it begins its seventh year on the air with one less star and one new trail boss... Clint Eastwood will have his role enlarged to trail boss while his former co-star Eric Fleming will leave the series along with Sheb Wooley. This is called a "revamping of format" or "a new look" by CBS. More correctly it means less money spent on the names at the top and more work for Eastwood and his featured performer, Paul Bringer as "Wishbone."

Eastwood received the news in Italy where he is starring in "Rawhide" has made him a sought-after actor abroad.

ONE OF NEXT season's major losses will be "Mr. Novak," one of television's few attempts to create dramatic material out of contemporary problems of more consequence than cops and robbers. Next fall its time spot will be filled by two new comedies—"Hank," the story of a loveable college con artist, and "Camp Runamuck," a sort of McHale's Navy-of-the-summer-camp.

One of the reasons for the demise of "Mr. Novak," I am told, is the departure of its creator-writer-producer, E. Jack Neuman, a fascinating, spark-plug of a guy who is apparently finished with his job of humanizing the high school teacher and is going to devote his attentions next season to humanizing the office of city mayor in a new series.

ABC HAS announced a series, starting in November, highlighting American regions in the manner of "Melina Mercouri's Greece," "Liz Taylor's London" etc. Emcee for the six duPont specials is Robert Preston... Emmy Awards will be made Sept. 12 on NBC... Lucille Ball will send her TV children away to school next fall and get a job, according to the latest change in the format... ABC will relay the American-Soviet track meet via satellite to the U.S. this summer.

while NBC has announced plans for a sports special to be filmed in the Soviet Union this month for viewing in the fall. The latter will focus on two Russian athletes, high-jumper Varery Brumel and broad-jumper Igor Ter-Ovanesyan.

A lady listener who was forced to choose between a rich man with no sense of humor and a poor man who kept her in stitches was given this advice by Arthur Godfrey: "Marry the rich guy and hire the poor one."

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations. Pain was relieved promptly. And, while gently relieving pain, actual retraction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne*)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body. This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.
