### Aerona Shareholders Get Quarterly Report

Net earnings in excess of \$150,000 from sales of more than \$7 million for the first quarter of 1965 have been announced by Aerona Manufacturing Corp.

The three month figures were issued by A. G. Hand-schumacher, chairman of the firm's board of directors, in a report mailed to company shareholders.

Sales were reported at \$7,193,434 and net earnings at \$154,769 for the period ending March 31, 1965. Last year's sales for the same period totaled \$8,380,706, with profits of \$181,896.

**THERE WERE** several contributing factors to the lower sales and profit figures this year including suspension of work on the Apollo program and difficulties experienced in starting new production of mine cases according to Hand-schumacher.

The Apollo production, for which Aerona makes brazed stainless steel honeycomb panels, has been reinstated and the difficulties with the production prototypes are being eliminated, the chairman said.

### Top Awards Presented At Banquet

Presentation of six perpetual trophies and 13 special plaques highlighted the 1965 Torrance High School fine arts award banquet.

The annual event, coordinated by Maurice Wilson, was held in the school cafeteria. Mrs. Patsy Jaeger was chairman, and Miss Jane Hoose was mistress of ceremonies.

### Carson Area Improvement Under Way

Included in the program were a speech on "Greece and the Fine Arts" by Clyde Boyd, a dramatic reading of "Oedipus Rex" by Michael Hubbert and Maureen Rose, a modern dance interpretation entitled "Conflict" by students of Miss Barbara Lee Teed, a saxophone solo by Ronald Yates, and a vocal rendition of "Una Bel di Vedremo" from "Madame Butterfly" by Shirley Johns, accompanied by Helen Smoot.

Perpetual trophy winners were: Rebecca Goldstein, drama; Ronald Yates, instrumental; Shirley Johns, vocal; Connie Eggleston, journalism; Fred Babb, art; and Carolyn Jensen, yearbook.

Special plaques were awarded to: Roger Webb, Quill and Scroll; Rebecca Goldstein, best Thespian; Richard Tiernan and Michael Hubbert, drama; Clyde Boyd and Barbara Bentwood, speech; Janis Albright, Pamela Flemming, and Eddie Watson, journalism; Roberta Myers and Larry Champion, art; Fred Babb, yearbook, and Shirley Myers, crafts.

Improvement of Grace avenue between 214th and Carson streets was begun this week, according to Supervisor Kenneth Hahn.

The project will consist of constructing pavement as part of the County's improvement program designed to maintain County roads in top operational condition.

"The completed improvement," Hahn said, "will increase safety, extend the service life of the roadway, and improve the surface riding quality of this section of county highway."
