

### 'Sacrament' Unity Church Is Subject Of Lesson

The record of Jesus' last supper and his meetings with the disciples after his resurrection will be reviewed in the Bible lesson - sermon to be heard in all Christian Science churches this Sunday.

The subject is "Sacrament," and the Golden Text is from I Corinthians: "Let us keep the feast, not with old leaven, neither with the leaven of malice and wickedness; but with the unleavened bread of sincerity and truth."

One of the related passages to be read from the Christian Science textbook will include these lines: "In the quiet sanctuary of earnest longings, we must deny sin and plead God's alms. We must resolve to take up the cross, and go forth with honest hearts to work and watch for wisdom, Truth and Love."

In driving the freeways on your summer vacation trip, check your freeway maps, determine your point of exit and determine the names of three exits you will pass prior to your turn-off point. This, says the Greater Los Angeles Chapter of the National Safety Council, will permit you to maneuver safely into your exit lane.
