

Douglas Begins Navy Contracts

Two fixed price letter contracts totaling \$3,193,893 for production of aircraft bomb racks and adapters have been awarded by the U. S. Navy to the Douglas Aircraft Division.

Under the contracts, a total of 1,809 assemblies will be manufactured on the bomb rack production line at the Douglas facility here.

First of the two contracts calls for production of 1,172 bomb racks and adapters at a fixed price of \$2,073,287; the second specified 637 bomb release racks at \$1,120,506.

Three bomb rack designs are currently in production at the Torrance plant. All are adaptable to a variety of combat aircraft, including the Douglas A-4E and TA-4E Skyhawks.

THE NAVY recently accepted delivery of its 10,000th Douglas bomb rack of the same basic design. Racks also are produced for the Air Force. Current production rate exceeds 100 weekly.

External stores carried on Douglas racks include bombs from 250 to 1,000 pounds, rocket pods up to five-inch size, fire bombs and other conventional ordnance, in addition to new classified types.

The rack mechanism ejects weapons singly or in salvos of three to six stations on each rack.

Douglas has designed and produced bomb racks for the Armed Forces for more than 30 years.

New Sunday Showcase To Begin at El Nido

"We're taking anyone willing to perform just for the fun of it," says Miss Kathi O'Bitz, leader-in-charge of Torrance Recreation Department's new Sunday Showcase program.

Beginning Sunday at 2:30 p.m. in El Retiro Park, the program will revolve around a variety show composed of amateur, local talent.

People of all ages are urged to audition at the park, the week before the showcase is presented. Emphasis is on participation—not competition, says Miss O'Bitz.

also travel to McMaster Park, July 24; La Romeria Park, Aug. 1; Waleria Park, Aug. 8, and Paradise Park, Aug. 22.

For more information about the Sunday Showcase program, call the Torrance Recreation Department at FA 8-5310, Ext. 283.

Bus Trip Slated for Jazz Night

Louis Armstrong and Pete Fountain will be the featured attraction for a Torrance Recreation Department sponsored theatre bus trip to the Hollywood Bowl Friday, July 30.

"Satchmo," a living legend on trumpet, and "Mr. Stickman," the bearded clarinetist of Dixieland jazz, will present New Orleans Night, an evening jazz-lovers won't want to miss.

Having just turned 65 last July 4, Louis Armstrong has been labeled as unquestionably the greatest of all jazz showmen. Pete Fountain, born and raised in New Orleans, is known as a giant in traditional jazz.

The bus will leave Torrance City Hall at 6:30 p.m. Prices are \$4 and \$5 for good seats. Bus fees are included.

For reservations, call the Joslyn Recreation Center at 328-8362. The deadline is July 16 and reservations will be accepted on a first-come-first-served basis.
