

# Red Devils Move Ahead In Connie Mack Climax

The Torrance Red Devils took over first place in the South Bay Connie Mack League by a half game after beating West Los Angeles, 7-4, and San Pedro, 7-5, last weekend.

The pair of victories ran the Red Devils' record to 10-2 for the season to the Tor-

dena Bullets and Beach Cities' 10-3 mark. Tordena climaxes its regular season against West L.A. Saturday at Torrance Park at 2 p.m., and Beach Cities is scheduled to play Long Beach at Silverado Park at 1 p.m.

The Red Devils have games remaining against Westchester Saturday at 8 p.m. at Torrance Park. The Long Beach Blues, 0-12 in the standings, have lost every game on forfeitures, including a 16-1 "pretend" game to the Bullets last weekend.

In a game "for real," the Bullets were upset by Hawthorne, 7-6, to relinquish their lead to the Red Devils. Beach Cities remained in the pennant chase by winning an 11-inning contin-

uation game from Hawthorne, 8-7, and defeating Westchester, 5-2. The continuation game resulted from a June 20 protest filed by Hawthorne.

Two Red Devils picked up during the middle of the season got two hits apiece in the 7-4 win over West L.A.

# Race Fans Wonder What Happened to Garrett

What happened to Ascot Park's famous "Wild Man of the Figure 8's," better known as Leon Garrett, the Lawndale veteran stock car driver?

That's what fans of the bi-weekly ARA Figure 8 races every Wednesday and Sunday nights at 8 p.m. at the 183rd and Vermont plant are beginning to wonder.

As a matter of fact, lanky Leon, perhaps the most feared of all drivers on the tortuous, dangerous criss-cross Ascot course, has not been able to win a main event since last Feb. 28.

The red-headed Irishman has only been able to capture a couple of 15-lap mains on the quarter-mile oval course in Wednesday night action, but due to one reason or another, he's been strangely absent from the winner's circle on the Figure 8.

Last week Garrett had good position in the Figure 8 main

event race when he flipped his purple No. 88, knocking him out of the race.

Big winner to date has been Redondo Beach's popular and capable veteran pilot, Eddie Sauer, who has won six Figure 8 mains to date.
