

## Shrine Football Ends in 7-7 Tie

A tie in football is nothing to write home about, but when a team like the Shrine Hi South all-stars puts up a goal line stand in the final minutes of play to salvage a tie, it is something of a moral victory.

A crowd of 44,793 at the Los Angeles Coliseum watched the 7-7 deadlock in the 14th annual pageantry Thursday night.

## Aussies To Swim Saturday

A 2-mile rough water match swim race between four Australians and four county lifeguards will be the highlight of the 3rd International Surf Festival next weekend.

U.S. Olympic medal winners Roy Saari, Bill Farley and Bob Bennett will be joined by Dean Willeford, USC 500 yd. champ to challenge the Aussie team consisting of Olympic swimmers T. W. Buck and J. S. Ryan, and Australian State Swimming Champions J. A. Rigby from Queensland and Bill Rodger from New South Wales.

The grueling ocean race is scheduled for 10 a.m. Saturday.

The Olympic star studded teams will enter the water on the south side of the Hermosa pier. The course will be parallel to the beach along the surf lines of Hermosa Beach and Manhattan Beach.

## Tappa Keggas Take Two At Redondo

Torrance Tappa Keggas snarled Redondo's bid for the second half West Coast Slo-Pitch championship Friday by winning a double-header from the beach boys, 6-5, and 5-3.

Gib Matthews was the hero for Tappa Keggas with a home run in the second game and three hits in each game.

Torrance rallied for the tying run in the seventh inning of the first game and won it in the eighth.

Terry Tierney tripled and came home on Bob Ryan's two-out single to knot the score. Singles by Chuck Schoendienst, Ray Magnante and Jim Reynolds won it in the extra frame.

Schoendienst and Ken Swearingen of the losers had home runs.

El Segundo pulled into a second half tie with Redondo by defeating Los Angeles, 8-6, and 2-1. El Segundo and Redondo have 10-2 records and Tappa Keggas' is 8-4. Tappa Keggas won the first half with a 9-3 record.

The South roared 60 yards to a touchdown the first time it got the ball, the North rallied to knot the count in the third period and was two feet from home with three minutes to go. Finally three cracks at the South goal line were restrained.

In the final minute the South went for the win on a fourth down play at the 40 yard line, but the North held. Three final drives by the North in the final seconds were also crushed.

Culminating the South's opening touchdown drive was Gene Washington of Long Beach Poly who crashed over from the one.

Mark Marquess tossed a fourth down 9-yard pass to Ron Crawford for the equalizer.

## Three Weeks Remain On Slo-Pitch Schedule

Three weeks remain on the regular seven-league slo-pitch calendar in Torrance. League champions will follow the regular season with a single elimination tournament Aug. 17, 18, and 19, to decide the city champion.

The winner of the Torrance single elimination tournament faces a possible invitation to start August 20.

Current leaders in the seven leagues are St. Lawrence, Road Runners, Morris Union, Dog Patch, Time Out, Torrance Kiwanis, and Key Realty.

Key Realty, which paces the action at WALTERIA on Friday evenings, closes with the Mustangs this week. These two have split previous meet-

ings. The Mustangs are defending city champions.

The Road Runners lead the Monday Night League at McMaster Park.

Dog Patch is involved in a tough race in the Wednesday night league at McMaster with the Fire Fighters No. 2 one back and Zany Zoo in third place, two games back.

Only St. Lawrence, with a three game lead in Monday's play at WALTERIA, and Morris Union, with a two game lead in the Tuesday league at McMaster, have clear sailing to league titles.

This year's City of Torrance Recreation Department Slo-Pitch program has attracted over 600 players in rounding out its seven leagues at McMaster, El Nido and WALTERIA Parks.

## Red Devils Angry at Opponent

The Torrance Red Devils and Beach Cities may start a war Monday night when they clash in the first round of the Connie Mack League tournament at Blair Field in Long Beach.

A flareup between the two teams materialized during the week over a conflict in player acquisitions.

When Bo Palica, manager of Red Devils, first announced the acquisition of Jack Crist, Hoggie Wong and Barry Kubishta to complete his roster for the tournament, he said he had an understanding with Manager Jim Rucker that the Red Devils would take additional tournament players from Gardena.

Beach Cities, however, picked up Bob Pryor for a coach and also decided to replenish its roster with Gardena players after dropping Irl Davis of Montgomery High.

Kubishta was claimed by Beach Cities after Torrance took Crist as a first choice player.

An irate Palica said he was disturbed by the actions of Rucker in picking up Kubishta.

"If this is the way this league wants to operate, I won't have anything to do with it next year," said Palica.

## Payne Enters Steeplechase

Sid Payne of Bakersfield, winner of J. C. Agajanian's recent 50-lap Grand National motorcycle steeplechase, returns to Ascot Park Saturday night to lead a field of 200 riders over the twisting course in an 18-event AMA program.

# 'Don't Pitch to This Guy'

By HENRY BURKE  
Press-Herald Sports Editor

When the big man comes to bat in a Little League tournament game, he is treated like Mickey Mantle or Willie Mays in one respect—he is intentionally walked anytime there's a chance he might break up a game with a home run.

The strategy of purposely passing Tim Guy of North Torrance East Little League has been particularly noticeable these past few days. The lumbering 5-foot, 11-inch 150-pound catcher and first baseman has "base on balls" written all over himself.

No wonder, in his first seven times at bat in the tournament he was walked three times, and in three other at bats he hit home runs!

One of the home runs came in the first inning against

Victoria Park with Steve Grubbs aboard. The runs accounted for East's 2-1 lead in the top of the sixth when Guy came to bat for the seventh time in the series.

Grubbs was once again aboard, so for the second time in the game the only natural thing to do was walk Guy and hope to get out of the inning some other way.

Trailing 2-1, Victoria Park was still within reach and the idea was to avoid having Guy increase the margin.

On the intentional walk attempt, one pitch came in a little too close and Guy rapped it to right. An effort to trap the ball in the outfield failed and by the time it was retrieved and thrown wildly back to the infield both Grubbs and Guy scored.

North Torrance East ultimately won, 4-2.

Playing for the Giants dur-

ing the regular season Tim had 53 official at bats. He had 27 hits for a .509 batting average, including nine home runs, one triple and four doubles. He fanned 13 times and was intentionally walked 18 times.

Tim had a 6-3 pitching record and alternated as first base and catcher when he did not pitch.

JEFF HOLLY of Pacific Little League is another fellow who has walked considerably in the tournament. Two of his first three hits were home runs.

Against Rolling Hills he was intentionally walked his first two times at bat to load the bases with one away each time. Both times Rolling Hills got out of the inning untouched.

After Rolling Hills grabbed a 1-0 lead in the top of the fifth, Holly came to bat with

a mate aboard in the bottom of the inning and represented the potential go-ahead run. Pitches Tom Schwartz worked the count to 3-2 before abandoning hope for getting his man. After all, he had struck out the on-deck batter, Charley Perry, twice previously, so Holly got ball four.

But this time Perry stroked a single to right and a hurried throw to get Grubbs at the plate caromed off the backstop and Holly scored as well.

These are the things that make baseball an interesting game.

## Little Leaguers Enter Sectionals

For the first time the two neighboring Little League districts—26 and 27—will play a bi-sectional tournament game Tuesday at Tordondo Field.

Winners of yesterday's district finals will clash at 5:30 Tuesday. The field entrance is next to 5501 Halison St., Torrance.

The only other meeting between teams of the two districts was 1962 when Rolling Hills clobbered North Torrance West, 17-3, in the second round of the sectional tournament at Lakewood.

Rolling went on to win the sectional and divisional playoffs before losing to world champion San Jose in the regionals at Vancouver, British Columbia.

Rolling Hills, a contender for the District 26 title again this year, was upset by Pacific Little League Thursday night at Tordondo, 2-1. Jeff Holly, in winning his second tournament game struck out 12 Rolling Hills batters and allowed only two hits.

The other District 26 finalist was Southwood which blanked Silver Spur, 7-0, and Central Redondo, 5-0, in two preliminary games.

Pre-tournament favorites

Torrance American and North Torrance East made it to the finals of District 27 competition. Both have been in sectional playoffs previously.

East won the district tournament last year, but lost a first round game to East Downey at Hawthorne, 7-1.

Torrance American was beaten by East Lakewood, 4-3, in a 1960 sectional at Hawthorne, and in 1955 reached the regionals at Santa Monica.

## SWIM INSTRUCTIONS GIVEN IN TORRANCE

"Waterproofing" more than 3,000 citizens of Torrance is the goal of the recreation and parks department which is conducting swimming classes throughout the summer.

Six classes meet each hour daily at the Victor E. Benstead Plunge and 150 people learn to swim in the evening.

An additional 400-700 people use the pool daily for recreational swim. Cliff Graybehl is in charge of the swim instruction program.

Swim instructions are free. A \$2 registration fee covers the 20-cent pool service charge for ten lessons.

Enrolled last year were 3,247 persons, 2,697 in the (age 7-12) classification, 197 teenagers, 89 adults, 56 junior life savers and 21 senior life savers. Twenty junior frogmen and ten scuba divers received certificates.

This year's first session had an enrollment of 420 with 161 receiving their Red Cross beginner, advanced beginner or intermediate swimmer cards.

Adults are urged to take advantage of the swim instruction program. Adult classes are held Tuesday and Thursday evenings from 5:30 to 6:30. Everything is offered from beginning swimming to senior life saving.

The last session will be Aug. 17 through Sept. 9. Registrations are accepted during the morning, 9-11:30, and 7-9:00 p.m. in the plunge lobby.

For further information call the plunge at FA 8-5688.

## \$5,500 IN PRIZE MONEY:

# Professional Rodeo Set for Torrance

With more than \$5,500 prize money at stake, the annual Torrance Rodeo explodes into action next Saturday and Sunday afternoons.

Last year's cowboy competition saw 161 cowboys divide \$5,926 for the six events.

Biggest shares of the prize money went to Chuck Bryant of Shafter and Dave Boynton of Bakersfield who won team roping competition.

Other event winners included Floyd Baze of Mira Loma, saddle bronc riding; Ed Akridge, San Diego, Calif., bareback bronc riding; Gordon Cox of Artesia, bull riding; Rudy Doucette, San Fernando, calf roping; and Bill Gatlin of Lakeside, steer wrestling.

As one of nearly 600 rodeos approved each year by the professional Rodeo Cowboys Association, competition in the Torrance arena is conducted under nationally recognized rules with prize money won by contestants credited to the game's annual championship standings.

Pro rodeo awards its annual championships by the simple method of who wins the most money in an event during the year-round season.

Newly-minted champions emerge after the sport's

"world series," called the National Finals Rodeo, to be held Dec. 4-11 in Oklahoma City. Now in its seventh season, previous finals sites have been Los Angeles and Dallas, Tex.

Sponsored by the Torrance Mounted Police organization, bucking stock will be furnished by Andy Jauregui, of Newhall, Calif.

Entry closing time has been set for noon Friday, Aug. 6.

SUPER MODIFIED . . . Auto racer driven by Wayne Page of Torrance will be driven during Sunday's 10-event program at Ascot Park.

## Super Modified Cars Race Sunday at Ascot

The fastest cars ever to race at Gardena's Ascot Park, 182rd St. at So. Vermont Ave., the "flying wing" super-modifieds of the California Auto Racing, Inc. will team up with the CAR Super-Stock Cars in a 10 event doubleheader program this afternoon on Ascot's 1/2 mile oval. Racing starts at 2 p.m. with qualifying runs slated for 1 p.m.

It will be the first outing for the super-modifieds in the Los Angeles area in over two months. More than thirty-five of the speedy cars that hold

track record at 21.84 will be on hand to compete in the doubleheader with the action packed Super-Stock Cars.

Heading the "modified" field will be one lap track record holder Frank Secrist of Bakersfield, driving his "flying wing" type machine with a Corvette engine. His 21.84 clocking is faster than any USAC sprint car or mid-level CRA Sprint Car, NASCAR Stock Car or AMA Motorcycle has ever turned the

Ascot half in its nine-year all time Ascot one laphistory.

## Practice Games

The San Pedro Marauders semi-pro grid team (a subsidiary of the Bay Cities A.C., Inglewood) today announced that two preseason games have been set for Daniels Fields, 845-12th St.
