BUG CATCHER?

You bet! The TOYOTA CORONA not only catches 'em . . . it PASSES 'em. And no wonder. The Toyota Corona is the new, hot runner on the road. It has 90 horses and a husky 1900 cc engine under its hood. And, it accelerates to over 90 mph in a flash . . . snaps 0-60 in 16 seconds flat. And, when you uncork the torque of 110 ft. lbs. @ 2600 rpm, the Corona flattens the hills . . . passes the slow and pokey . . . maneuvers and corners with sportscar ease. This power-laden sports sedan is stylish, too. It has 4-door roominess and foam-cushion comfort. And, it has 47 other luxury features, including optional Automatic Transmission. Test-drive the TOYOTA CORONA today. You'll see why this New Hot One is the coming champ in the sportscar, familycar, economycar field.
