

44 Years Of Serving The Southland With The Very Best In Meats, Produce and

Tartar Teen Talk

By Jeanne Rubeo

Here we are now in the merry, merry month of May, better known to most people as the month for banquets. May 12 is the annual Athletic Awards Banquet. At this time, boys will receive various awards and the player of the year will be announced. Sam Bell, the guest speaker, is from the University of California at Berkeley.

On May 19, the first annual Achievement Awards Banquet will be held. There are 21 different achievement areas and the teachers have picked students from each of their classes who have done outstanding work.

The next banquet will be the annual Girls' Athletic Association banquet to be held in the main cafeteria on the 24th of the month. Girls with

sportsman credits will receive their awards.

ALSO THIS month, THS will be having a variety of different activities going on. This coming Friday will be the third annual Art Exhibit. The outstanding work produced by our art and photography students will be on display for all to view. The judging will be done by noted artists in the area. These exhibits will be on display in the boys' gym.

On the same night will be the Sky League track meet here at Torrance High. All the schools in the sky league will participate and vie for top honors.

Saturday of this week will be the foreign language speech contest at our school. All these activities for the weekend will be very interesting so make a grand sweep and attend them so you can say you supported your school!

Scout Show Slated at El Camino

Five special program areas will vie for attention with 300 booths at the Scout-O-Rama '66, to be held Saturday, May 21, at El Camino College.

Bryan Harkwick, chairman for the Scout-O-Rama, said 300 troops, packs, and posts in the South Bay and Harbor districts are preparing for demonstrations and displays in the 300 booths.

Scouting skills, Cub Scout games and crafts, and Explorer Post specialties will be featured at each of the booths. Audience participation will be invited at each booth.

TICKETS FOR the show may be purchased from all Cubs, Scouts, and Explorers for \$1 each, according to Charles Nollenberger, ticket chairman.

The five special areas—an Indian Village, challenge arena, pioneering area, aqua pool, and little theater—will provide continuous entertainment during show hours, 2 until 10 p.m.

Indian dances will be featured at the show throughout the day, with special pageants the day with special pageants scheduled at 2, 6, 7, and 9:30 p.m. Members of the Order of the Arrow will present the programs.

A SPECIAL aerospace exhibit will be a highlight of the Scout-O-Rama. Aerospace firms providing the displays include Northrop Norair, North American Aviation, Aerospace Corp., Garrett Corp., and TRW Systems. Each display will be manned by Explorers sponsored by the individual firms.

The Scout-O-Rama is a major source of funds for the Los Angeles Area Council of the Boy Scouts of America.

LAST FRIDAY night was the night most and juniors and seniors here at Torrance High will always remember. It was the night of the Junior-Senior "Stardust" Prom, held at the Los Angeles International Hotel. The highlight of the night was the coronation of the Prom king and queen, Julia Takayama and Roger Webb were the chosen ones to reign over the prom.

Other members of the Honor Court were Marilyn Blankenship and Bob Sharp, Kris Erickson and Clyde Boyd, Judi Rynhart and Jim Cooper, and Cheryl Barnett and Jim Crockett. I know the class of '66 gives many thanks to the junior class for this memorable evening.

On the 10th of the month, class elections will be held. We hope everyone will take advantage and vote for those people they want to represent them in the fall semester of next year.

Seniors... Keep going—all we have is a month to go! Thought for the day... Drive so that your driver's license expires before you do. See you next week...

Pvt. William I. Urso, son of Mr. and Mrs. Samuel A. Urso of 4916 Sara Drive, completed a radio relay and carrier operation course at the Army Southeastern Signal School, Fort Gordon, Ga., April 22.

During the 12-week course, Urso learned to operate different types of field telephone, telegraph and radio relay equipment.

The 21-year-old soldier entered the Army in November, 1965 and completed basic combat training at Fort Knox, Ky.

He is a 1965 graduate of Torrance High School.
