Finalists were announced today in the Pep Boys' 14th annual Traffic Safety Essay competition by Murray Rosenfeld, executive vice president and general manager of Pep Boys.

The three high school seniors, Lloyd N. Johnson of Glendora, Richard A. McNeilly of Santa Ana, and Von Quan of Montebello are now eligible to win Pep Boys' 14th annual four-year engineering scholarship to a state college or university.

Final selection of the scholarship winner will be made on the basis of the student's scholastic standing, citizenship, college entrance examination score, and essay.

Each winner was awarded a \$50 U.S. Savings Bond and a special trophy for his essay on the subject, "What I would do to prevent traffic accidents and save lives." Awards were made by Rosenfeld at the company's general offices in Los Angeles.

The panel of judges who selected the essay winners consisted of Howard Amborne, Inspector, California Highway Patrol; District Attorney Evelle J. Younger; Deputy District Attorney Alan H. McCurdy; Joseph Kaplan of the National Safety

Council's Los Angeles Chapter; and Cecil Zaun, supervisor of the safety and driver instruction section of the Los Angeles City Schools.

Special commendation was given to the Pep Boys' organization by Kaplan, one of the judges, and manager of the Los Angeles Chapter of the National Safety Council. "The problems of automotive and traffic safety are growing at an alarming rate," Kaplan stated. "These problems must be solved and efforts such as the Pep Boys' annual scholarship competition make important contributions by encouraging American youth to develop fresh new answers to these pressing and awe-

## Bill Krause To Compete At Riverside

Veteran Bill Krause of Inglewood, winner of the Times Grand Prix in 1960, has joined the challengers for Sunday's 182-mile USRRC professional sports car race at Riverside International Raceway.

Assigned to the Pacesetter Homes Lola-Ford, the same car with which Bob Bondurant led the early portions of last fall's Grand Prix, Krause is expected to be a strong challenger in the \$15,000 classic.

Pre-race favorite is Jerry Grant and his All American Racers Lola-Ford, which has been completely overhauled after encountering transmission trouble while leading the USRRC race at Las Vegas last weekend.

Grant already has set an unofficial course record for the Riverside 2.6-mile circuit, hitting 109 mph during recent tire tests.
